CLASS OF 1802

PETER VAN BUREN

Born April 14, 1773

Died March 13, 1828

Married March 27, 1798, Abigail Mudge, daughter of Jarvis and Prudence Mudge; she was born in New Lebanon, New York; died at Nassau, New York.

While he was a student at Union College, Schenectady, New York, his wife, Abigail, taught school to help out financially, evidently her labors were crowned with success, as one of her descendants, Paul G. Burton, of Baltimore, (lately of Washington, D. C.) writes me that he has a silver tea set which she purchased with some of her teaching money.

After Peter graduated from Union College, they removed to Charleston, Montgomery County, N. Y., later to Chatham, Columbia County and then to Troy, N. Y. In each of these places he was settled as a minister.

The most remarkable event chronicled of this couple is the fact of the birth of triplets on January 19, 1819, all three sons. The Rev. Father wanted to give the names of Abraham, Isaac and Jacob to the infants, but as Jacob died when only eleven days old the names of the remaining two were afterwards changed.
