MARTIN ROOF

Martin Roof, a brother of Johannes, was a druggist at an early day in Canajoharie and one of its first postmasters, also an acting justice of the peace. It is said that the Roofs were so prominent here that at one time the early settlement was called Roof's village. They kept tavern here until after 1795.

FROM The Story of Old Fort Plain p. 159  
Nelson Greene  
Fort Plain 1915.

MARTIN ROOF, non-graduate of 1805, was a member of the Adelpic Society, and resided in Canajoharie, N.Y.
