UNION COLLEGE,
SCHENECTADY, N. Y.

1. Course Leading to the Degree of A. B.—The usual Classical Course, including French and German. After sophomore year the work is largely elective.

2. Course Leading to Degree of B. S.—The modern languages are substituted for the ancient, and the amount of Mathematics and English studies is increased. After the sophomore year a large list of electives is offered.

3. Course Leading to the Degree of Ph. B.—This differs from the A. B. course chiefly in the omission of Greek and the substitution thereof of additional work in modern languages and science.

4. General Course Leading to the Degree of B. E.—This course is intended to give the basis of an engineering education, including the fundamental principles of all special branches of the profession, a knowledge of both French and German, and a full course in English.

5. Sanitary Course Leading to the Degree of B. E.—This differs from course 4 in substituting special work in Sanitary Engineering for some of the General Engineering studies.

6. Electrical Course Leading to the Degree of B. E.—This differs from course 4 in substituting special work in Electricity and its applications, in place of some of the General Engineering studies. This course is offered in co-operation with the Edison General Electric Company.

7. Graduate Course in Engineering Leading to the Degree of C. E.—A course of one year offered to graduates of courses 4, 5, or 6.

There are also special courses in Analytical Chemistry, Metallurgy and Natural History. For Catalogues or for special information, address

TEACHERS' AGENCY.

During the past season eight members of the Union College class of '99 registered with us and we secured positions for four of them as follows:

Snyder Gage, St. George's Hall, Summit, N. J.
Robert Gamber, Lowville Academy, Lowville, N. Y.
Geo. M. Willey, Jr., High School, St. Johnsville, N. Y.
Frank T. Wright, High School, Williamsburg, Mass.

We can undoubtedly be quite as successful in placing members of 1900 if they register with us.

UNION VICTORIOUS ON THE TRACK.

Saturday's Triangular Meet With Companies E and F.

Last Saturday afternoon occurred the triangular athletic meet on the college oval, in which Union's athletes met the track teams of the two local military companies, "E" and "F," N. G. N. Y. No college records were broken, but very good time was made in some of the events, considering the condition of the track.

As in the indoor meet, Felthousen and Abell proved themselves to be excellent all-around men. Between them thirty-eight points were rolled up for Co. E. Aside from this there were many other interesting features. The hundred yard dash looked doubtful for Union when Abell beat Davis in his heat, but in the finals Kline ran a pretty race and won from Abell by fully four feet. The 120 yard hurdles was one of the best races of the day. Griffith and O. B. Wells were neck and neck until the last hurdle, when the Union man was slightly in the lead. At this point Wells unintentionally fouled him, and the judges awarded Griffith first place. Boorn showed up well in the dashes for a new man. He took third in the hundred and gave Felthousen a close run for first place in the 220. The weight events went to Union, as there was no one to enter from either of the companies.

Following is a summary of the events and points:

100 yard dash—First, Kline, (Union); second, Abell, (Co. E); third, Boorn, (Union.) Time, 10 2-5 seconds.

Mile run—First, Felthousen, (E); second, Broughton, (U.); third, Garretson, (U.). Time, 4 minutes, 54 seconds; second, 5 minutes, 6 3-5 seconds.

120 yard hurdle—First, Griffith, (U.); second, O. B. Wells, (F); third, Weed, (U.). Time, 18 seconds.

Broad jump—First, Felthousen, (E); second, Davis, (U.); third, Kline, (U.). Distance, first, 19 feet; second, 18 feet, 8 1/2 inches.

220 yard dash—First, Abell, (E); second, Kline, (U.); third, Davis, (U.). Time, first, 22 seconds; second, 23 2-5 seconds.

Running high jump—First, Abell, (E); second, Wyatt, (F.), and Griffith, (U.) tied. Height, first, 5 feet, 2 inches; second, 5 feet, 1 inch.

Shot put—First, Slack, (U.); second, Wells, (U.); third, Collier, (U.) Time, 29 seconds.

220 yard hurdle—First, Abell, (E); second, L. J. Weed, (U.); third, Wells, (U.). Time, 29 seconds.

One-half mile run—First, Felthousen, (E); second, Broughton, (U.); third, Wight, (U.) Time, first, 2 minutes, 10 2-5 seconds.

440 yard dash—First, Felthousen, (E); second, Boorn, (U.); third, Hoadley, (U.) Time, 54 1-5 seconds.

Pole vault—First, L. J. Weed, (U.); Wyatt, (F.), tied; third, Clark, (U.) Height, 8 feet, 8 inches.

Hammer throw—First, Finegan, (U.); second, Slack, (U.); third, Collier, (U.) Distance, 92 feet, 7 inches.

THE VERMONT TRIP.

Base Ball Team Meets Middlebury and University of Vermont.

Last Wednesday the base ball team left the city on its Vermont trip. The first game was played at Middlebury, Vermont, with Middlebury College. Parker at centre field played a phenomenal game, making several very difficult catches and putting out six men. The summary:

AN INTERESTING COMMUNICATION.

During the past week the business manager of The Concordiensis received the following letter, which is herewith published for two reasons: First, in order to demonstrate that the path of the manager of a college publication is not always a bed of roses; and second, as an excellent illustration of phonetic spelling:

PREPARATORY SCHOOL ATHLETES TO COMPETE.

Prospectus of the Third Annual Invita-
Interscholastic Meet.

In response to the one hundred and fifteen invitations sent out by the management of the college Track Athletic Association to all the principal preparatory schools of New York State, Western Massachusetts, Vermont and New Jersey, twenty-six schools have sent in acceptances and will be represented by competing teams. The meet will be held on Saturday, May 19th, at the Schenectady Driving Park, as it has been the past two previous years. The competing teams will be assigned comfortable training quarters on their arrival, and will be entertained while in the city. At the Driving Park everything necessary for the men, in the shape of cots, blankets, etc., will be provided. The following events will be contested: 100 yds. dash, 220 yds. dash, 440 yds dash, 880 yds. run, mile run, 120 yds. hurdle, 220 yds. hurdle, one mile bicycle, two mile bicycle, running high jump, running broad jump, pole vault, throwing twelve pound hammer, putting twelve pound shot, and relay races. For first, second and third places in each of the events, gold, silver and bronze medals respectively will be awarded and a silk banner will be presented to the school winning the greatest number of points.

In addition to these prizes, special gold medals will be awarded to competitors breaking any of the existing Union College interscholastic records, which are as follows:

A reception will be tendered the visiting teams on the evening of the meet in the college gymnasium, at which light refreshments will be served and the medals awarded.

This year there is an increase of four schools over last year's representation at the meet, when there were twenty-two competing teams. This year's meet will probably be the most suc-
successful and exciting contest yet held, judging by
the number of entries and the prominence of the
schools represented. The entries from the
schools already received are as follows:

Trinity School, N. Y. City............. 13 Entries.
Hudson High School.................... 7 "
Westminster High School, Dobbs Ferry 3 "

Owing to a misunderstanding regarding the date when entries were to be in, all the schools have not yet sent their entries, though all of the above will be represented.

COLLEGE MUSICIANS AT ALBANY.

The College Mandolin and Banjo Clubs gave a successful concert at the State Normal College at Albany Friday evening under the auspices of the Sigma Theta fraternity. The musicians were enthusiastically received and the numbers were heartily applauded. Messrs. F. L. Greene, H. J. Hinman, H. A. Barrett, J. H. Gutmann and R. M. Eames contributed to the pleasure of the evening by a number of well rendered vocal selections. After the concert dancing was enjoyed. To C. A. Hartnagel, '98, and other Union alumni now in attendance at the Normal College the clubs are indebted for their hospitality.

The library has been presented recently with a book entitled, "Historical Reference List of the Revenue Stamps of the U. S." On the first page is this note, "Presented by Alexander Holland, one of the compilers, great grandson of Jonas and grandson of Alexander Holland, Registers and Treasurers of Union College, 1815-1839—1839-1854."
1900 CLASS SONG.
AIR: Church in the Wildwood.
There's a college in the valley of the Mohawk,
Where our thoughts will turn for many years to come;
Where we studied, lived, and formed the closest friendships;
The college which to us has been a home.

CHORUS.
Then come my classmates,
Sing of the college that we honor,
Your tribute of love to her bring;
And in praise of our dear Alma Mater
Let 1900's voices ever ring.

Laurels plenty there have been to crown our foreheads,
Honors rich are our reward at this day.
Yet from these we now must turn to life's stern duties,
Each from here must take his own chosen way.

"On the whole," "Have you read the full assignment?"
"We know nothing that is absolutely true."
"That will do," "This day week," "O ma conscience,"
"In the words of the booke" we say adieu.

Stately pine, looking down on Idol ghastly,
College brook, woods, and garden, now farewell,
May our lives declare the love we bear our mother,
And her glories to all coming ages tell.

CAMPUS NOTES.

Live Topics Discussed by the Students.

Sanders, 1900, led the Y. M. C. A. meeting last evening.

President Raymond will deliver the baccalaureate sermon of the Oneonta High School on June 19.

The base ball game between the Sophomores and Freshmen resulted in a victory for 1903 by a score of 24 to 10.

Dr. Raymond attended a meeting of the College Entrance Uniform Examination Board at Columbia University, New York, last Saturday.

Bloch, Stiles and W. S. Yates, 1902, have been appointed by President Sands of the sophomore class as a Pipe Committee to purchase class pipes.

Dr. Raymond addressed the pupils of the Watertown High School on Monday, the Ogdensburg High School on Tuesday, and to-day he speaks at Warrensburg.

Messrs. Van Vack, 1900, Merriman, 1901, Dunning, 1902, and Stiles, 1902, attended the annual convention of the Psi Upsilon Fraternity held at Syracuse last week.

Prof. S. B. Howe has been in Auburn during the past week attending the commencement exercises of the Auburn Theological Seminary, of which he is one of the trustees.

At the annual convention of the Alpha Delta Phi Fraternity, held at Hartford, Conn., last week, the Union Chapter was represented by Charles P. Wagoner, 1901, and Arthur S. Raymond, 1902.

Dr. Raymond was one of the judges of the Yale-Princeton debate at Princeton, May 8. The other judges were Prof. William A. Dunning, Hon. W. L. Strong and John G. Carlisle, all of New York.

The base ball team of the senior class defeated the U. C. I. team on the campus Saturday morning by the interesting score of 23 to 12. The greys were getting the best of it until the seniors struck a batting streak and sent 17 men across the plate in one inning.

At a banquet of the officers of the Second Regiment held at the Ten Eyck, in Albany recently, speeches were made by Major Austin A. Yates, '54, and Colonel James W. Lester, '81. Major Yates was elected second vice president and Colonel Lester vice president for the following year.

At a meeting of prominent lawyers held in Albany recently the Albany County Bar Association was reorganized, and William P. Rudd, '73, was elected chairman of the temporary association. Among Union men present at the meeting were: William P. Rudd, '73, Charles F. Bridge, '87, and Charles H. Mills, '72.

IN THIS ISSUE we take pleasure in presenting a list, as complete as possible, of the members of the classes of '70 and '75, and copies have been sent to all those whose names are included in the same. It is our hope in publishing these lists to arouse such interest on the part of the members of these several classes as to inspire them with the desire to be present, or, rather, to secure their presence at our commencement reunion in June. In our next issue we shall publish a list of the class of '80, and information is earnestly desired from all who may be in possession of any facts of interest concerning any members of this important class.

DURING the present week Union will entertain preparatory school athletes from various points in this and adjoining states. Union students should welcome the men heartily and entertain them in the best possible manner. A large number of schools have entered and there is every indication of a successful meet. Committees have been appointed to provide for the entertainment of the athletes while at Union, and we trust that the student body will take an unusual interest in the meet.

The Concordiensis voices the sentiment of the undergraduates and college when it extends to the teams of the preparatory schools a most cordial welcome to Old Union's classic grounds.

THOUGH UNION was victorious in last Saturday's athletic meet and the work of the team was in general satisfactory, still it must be apparent to all that if we expect to make a creditable showing at Geneva on May 30, there must be a great deal of improvement. In more than one event a lack of training was evident, and some of the men were not nearly up to their form of a year ago. Now this should not be the case. The track athletes of the college never had better opportunities for training than are afforded this spring, and the students in subscribing liberally toward that branch of athletics at least have a right to expect faithful training on the part of the track men. The withdrawal of Colgate from the Hobart meet leaves only Union and Rochester to compete with the Genevans, and as Rochester expects to send only a small team, Union is left as Hobart's main rival.

Now we are perfectly confident of our ability on the track, but no victory was ever yet won without training, and therein lies the only means of improving our chances of victory in the league contest on Decoration Day. It seems to us that this matter is worthy of some attention, not only by the captain of the track team, but by every man in college who is trying for the team.

And now the gladsome spring is here,
With budding leaves and wind and rain.
Thick fleece clouds of dust appear,
And the spring poet strives in vain
To tell us of the "month of May,
When nature dons her garb so gay."
'Tis false, O bards, for don't you know
Last week we had a fall of snow?

“LIFE INDEED.”

A new book by REV. EDWARD H. COR, D. D., LL. D.

"Prof. Drummond has somewhere said that what the world needs is not a greater quantity of Christians, but a better quality. To this need Dr. Cee's sermons directly and forcibly minister."

"The sermons possess the rare virtue of perfect English, of a style so simple as to appeal to the least intellectual listener, so felicitous as to give keen literary joy to the most fastidious."
