ANDREW V. V. RAYMOND, D. D., LL. D., President.

UNION COLLEGE,
SCHENECTADY, N. Y.

1. Course Leading to the Degree of A. B.—The usual Classical Course, including French and German. After Sophomore year the work is largely elective.

2. Course Leading to the Degree of B. S.—The modern languages are substituted for the ancient, and the amount of Mathematics and English studies is increased. After the Sophomore year a large list of electives is offered.

3. Course Leading to the Degree of Ph. B.—This differs from the A. B. course chiefly in the omission of Greek and the substitution therefor of additional work in modern languages and science.

4. General Course Leading to the Degree of B. E.—This course is intended to give the basis of an engineering education, including the fundamental principles of all special branches of the profession, a knowledge of both French and German, and a full course in English.

5. Sanitary Course Leading to the Degree of B. E.—This differs from course 4 in substituting special work in Sanitary Engineering for some of the General Engineering studies.

6. Electrical Course Leading to the Degree of B. E.—This differs from course 4 in substituting special work in Electricity and its applications, in place of some of the General Engineering studies. This course is offered in co-operation with the Edison General Electric Company.

7. Graduate Course in Engineering Leading to the Degree of C. E.—A course of one year offered to graduates of courses 4, 5 or 6. There are also special courses in Analytical Chemistry, Metallurgy and Natural History. For catalogues or special information, address BENJAMIN H. RIPTON, Dean of the College, Schenectady, N. Y.

From the unusual and liberal financial support it seems as if more concerts could have been arranged than the two comparatively small ones that were given. The New York trip, the only important trip of the year, has been given up. For this there may have been an excuse as Mr. Edgar S. Barney, '84, to whom the success of these New York concerts is chiefly due was unable to give the necessary time and attention to working it up among the New York alumni. Why concerts could not be arranged for elsewhere or other trips taken is not known. In the past trips were made to the west, whether these were successes or not, is doubtful. The point of the whole matter is that it does not seem at all just either to the student body or to the men composing the clubs that no trips have been made this year, while the association has received such liberal support at the hands of the students.

Athletics. The talk made by Dr. Towne at the and special college meeting on Wednesday morning needs to be taken to heart by every man in college and especially by the freshman class. The time has about arrived for them to realize that they are students of Union and a part of the college, and therefore have certain duties and obligations resting upon them which must be fulfilled by them if they have any sense of gratitude whatever. Perhaps if they could be brought to realize that their duty is to the college first, then to their class, such a state of affairs as now exists would not continue longer. The fact has been emphasized often enough in college meeting relative to the position taken by the Athletic Board. They will not ratify games until there is sufficient money in the treasury to pay the expenses of these games. This position is nothing more than a just and reasonable one from a business point of view. And should they cancel any game the student body has no right to make any objection, for the blame rests with them and not with the Athletic Board. Athletic teams and athletic seasons cannot be successful without a sound financial backing. There are yet ten games to be played and five of these are to be played on the campus. There are two track meets coming off and in order for all of the above to be successes every man must pay up his tax at once.
UNION, 8; Univ. of VERMONT, 4.

In An Exciting Game on the Campus.

Union defeated the University of Vermont base ball team on the campus on Monday, April 28, in an exciting game. Davis, the Vermont and Devoe, the Union pitcher, both did excellent work. Odwell for Union played the best all-round game. His fielding was especially fine as several times he spoiled what seemed to be safe hits. Mahar played a fine game at short stop. O'Brien, the right-fielder, was struck on the forearm which resulted in a split bone and so had to be retired. Paige was substituted in his place.

PROF. EDDY TO LEAVE.

Goes to the University of Cincinnati.

Prof. Horace T. Eddy, assistant professor of electrical engineering, has been elected professor of electrical engineering in the University of Cincinnati at Cincinnati, Ohio. Prof. Eddy's resignation takes place in June. The many friends of Prof. Eddy at the college, while regretting his departure from Schenectady, will be gratified at the advancement which this change means. The University of Cincinnati was recently reorganized, a new location and new buildings in the suburbs of Cincinnati secured and extensive additions to its endowment received. Its students number about 1,300. Its faculty numbers 150 and it has a productive endowment of about three and one-half million dollars. The chair to which Prof. Eddy now goes is one formerly occupied by his father, Prof. H. T. Eddy, now professor of engineering and mechanics at the University of Minnesota.

COLLEGE TALK.

Griffith, '02, spent a few days at his home in Watertown last week.

Peck, '03 and Quinn, '05, spent Saturday and Sunday at Williamstown, Mass.

The regular meeting of the trustees of the college was held on Tuesday.

The sophomores defeated the juniors in base ball on Tuesday afternoon by a score of 5 to 4.

The freshmen base ball team was defeated by the R. P. I. freshmen by a score of 12 to 0 on April 26.

Invitations are out to a reception and dance to be given by the Chi Psi fraternity in Nott Memorial Hall on May 15.

At the Y. M. C. A. meeting on Tuesday evening the subject of settlement work was discussed and the feasibility of undertaking such work here. It was decided upon and a number of men pledged themselves to begin the work.
AT THE LAW SCHOOL.

Badger, '03, has returned to school after a long and serious illness.

A committee of the senior class is arranging for a class banquet.

The seniors are having their class pictures taken by Gustav Lorey of Albany.

Parr, '03, entertained the "Devil's Own" on the 25th of April at the Abbey Hotel, Glenmont.

Judge Tennant returned to the juniors on the 21st of April, taking up the subject of Sales, and was heartily received by all, being a universal favorite.

Dr. E. P. Johnson of the First Reformed church of Albany, will preach the annual sermon to the graduating class on Saturday, May 25th.

The Delta Chi fraternity has removed to 301 Hamilton street, while Phi Delta Phi's has vacated their Swan street home and are temporarily lodged at "The Tub."

It may be noted in passing that four out of nine of the 'Varsity base ball team are juniors at the Law School, viz.: Odwell, lb.; Nicholas Devoe, p.; Milton Devoe, 2b., and O'Brien, r. f. This certainly speaks well for the athletic ability of the Law School men, particularly as not one of these men has ever played on any college team before.

The Appellate Division (juniors) has returned the following decisions:

Jones, Respondent, vs. Roe, Appellant. Mills & Foster, for Appellant, Cassellas & Guardineer, for Respondent. Lawless, P. J. reads for affirmative. All concur.

Blair, Appellant, vs. McFarlan, Respondent. Lawless & Hotaling, for Respondent. Guardineer & Dyer, for Appellant. Thomas, P. J., reads for reversal and judgment absolute against defendant on the pleadings. All concur.

The Annual Circular of Information, which is in fact an illustrated catalogue of the school, has just come from the printer's hands and Secretary Davidson deserves great credit for the neat appearance of the pamphlet.

Besides the usual matter detailing the course of study, the bar examination rules and the catalogue of students, the book et contains very fine full-page portraits of Chief Judge Parker, honorary chancellor of the university, Dr. Raymond, chancellor and president of the college, and President Parker of the Board of Trustees of the school. The officers of the recently organized alumni association are set forth, as are the chapter rolls of the Phi Delta Phi and the Delta Chi fraternities.

According to this book, the school graduated 36 men with the degree of LL. B., and 23 men without the degree, in the class of 1901, or 59 in all. There are at present 2 graduate students, 78 seniors and 55 juniors, a total of 135.

BASE BALL SCHEDULE FOR THE REMAINDER OF THE SEASON.

May 3—Colgate University on the campus.
May 5—Schenectady Y. M. C. A. on the campus.
May 7—Rochester University on the campus.
May 10—General Electric Test on the campus.
May 16—University of Vermont at Burlington, Vt.
May 17—University of Vermont at Burlington, Vt.
May 24—Middlebury on the campus.
May 30—Hobart at Geneva.
May 31—Rochester University at Rochester.
June 7—Williams at Williamstown, Mass.
"ME AN' OTIS."

A Play Given by the Students.

The Cercle Comique of Union College presented the four act comedy "Me an' Otis" at the Van Curier on the evening of April 28 to large and interested audience.

The presentation of this humorous comedy of college life was very successful and the various actors and "actresses" deserve great credit for their efforts. It is the first time that anything of such pretensions in the dramatic line has been attempted, and it is to be sincerely hoped that in the future dramatics will be a permanent feature in the activities of the college year. With such a promising amount of material as the nucleus, a successful dramatic association should be formed as soon as possible.

It is difficult to commend any particular man for his work in this play without slighting the others, as this feature of the presentation was so uniformly excellent as an amateur performance. The difficult and eccentric role of "Rosilla" was interpreted with great spirit by Mr. Wagner, and Guardenier kept the audience amused with his portrayal of a henpecked farmer. Cool and Clark acted the parts of the two dissimilar students with cleverness, Donnan and Ellenwood were two most lovable damsels, while Fiero made a capital hired man. The minor parts were well filled, and the costuming and "make-ups" were in all cases adequate to a professional production.

It is the intention of those in charge of the play to repeat it at the Van Curier at an early date, and in that event, it can be recommend to all who desire to spend an enjoyable evening, watching the funny endeavors of the boys to act the parts of girls, and finding out how much real dramatic talent there is in the student body.

IZIDOR FRIEDMAN,
Suppose that instead of going to the tailor this spring for a suit you try one of our ready-to-wear suits. You will find it will fit better, wear longer, keep its shape, and be in better style and taste than anything the average tailor can make to your measure. The suit will cost you about one-half of what the tailor would charge. These high-grade suits come from such manufacturers as Rogers, Peet & Co., Hart, Schaffner & Marx, and other makers of reliable clothing. Come in and look at our Spring Suits and Top Coats.
