The Spring Track Meet.

The annual spring inter-class athletic meet, which was held on the college oval last Friday afternoon, resulted in a victory for the seniors. There was considerable competition in several of the events and most of the athletes showed the result of systematic training, although none of the records were exceptionally good, owing to the condition of the track.

The successful competitors will represent Union at the dual meet with Williams.

The events and winners follow:

100 yard dash.—Won by Price, '99; second, Kline, 1901; third, Hinman, '99. Time 11 sec.

Half mile run.—Won by Gulnac, 1902; second, Merriman, 1901; third, Morss, 1902. Time 2:05 1/2.

120 yard hurdles.—Won by Weed, 1901; second, Griffeth, 1902; third, Dunning, 1902. Time 19 2 1/2.

Hammer throw.—Won by Finnigan, 1902. Distance 79 ft.

Mile walk.—Won by Hegeman, '99; second, Paige, 1900; third, Hoyt, 1902. Time 8:20.

Running broad jump.—Won by Davis, 1900; second, Kline, 1901; third, Cummings, Law. Distance 19 ft. 5 in.

Mile run.—Won by Gulnac, 1902; second, Wight, 1901; third, Broughton, 1900. Time 5:21.

Shot put.—Won by Slack, 1901; second, Oakley, 1902; third, Fenton, 1900. Distance 29 ft. 2 in.

220 yard hurdles.—Won by Weed, 1901; second, Wright, '99; third, Griffith, 1902. Time 29 1/2 sec.

Pole vault.—Won by Weed, 1901; second, Cummings; third, Bahney, 1902. Height 8 ft. 6 in.

Running high jump.—Davis, 1900; second, Griffith, 1902; third, Cummings, Height 4 ft. 9 in.

The points scored by the various classes were: '99, 33 points; 1900, 14 points; 1901, 28 points; 1902, 29 points.

The best individual scores were Weed, 1901, 15 points; Price, '99, Davis, 1900, and Gulnac, 1902, 10 points each.

The officials for the meet were: Referee, Professor Opdyke; starter, Professor Pollard; judges of track, Professor Bennett and Professor Tracy; judges of field, Beardsley, '99, and Huntley, '99; timers, Professor Eddy, and Vander Veer, '99; clerk of course, Foote, '99; scorers, Thomson, 1900, and Van Vlack, 1900.

Williams also held her spring meet on Saturday and a comparison of the records is interesting. The following were the Williams records:

100 yard dash—10 1-5 sec.

Half mile run—2:06 1-5.

120 yard hurdles—17 2 1/2 sec.

440 yard dash—54 sec.

One mile run—5:06.

220 yard dash—24 sec.

220 yard hurdles—27 1-5.

Two mile run—10:33 1-5.

Shot put—34 ft. 5 in.

Broad jump—19 ft. 7 in.

Pole vault—10 ft.

High jump—5 ft. 4 in.

Hammer throw—100 ft.

On and after June, 1901, candidates for admission to the medical department of Harvard university must present a degree in arts, literature, philosophy, science, or medicine, from a recognized college or scientific school, with the exception of such persons, of suitable age and attainment, as may be admitted by special vote of the faculty taken in each case. For detailed information concerning courses of instruction, or catalogue, address Dr. Wm. L. Richardson, Dean, Harvard medical school, Boston, Mass.

THE CONCORDIENSIS.

"Prep." Schools to Compete.

The successful interscholastic athletic meet given at the driving park last year under Union's auspices is to be duplicated next Saturday by one which the management hopes will be even better. The decided interest taken in it by the preparatory schools, the large number of entries already received, and the strenuous efforts of those in charge to make the affair a success, all prophesy a happy termination.

Already acceptances to the invitations sent out some time ago have been received from nineteen schools and it is not unlikely that several more will shortly arrive. These acceptances include the names of a number of the crack school athletes of eastern New York, and at present a list of one hundred and thirty one separate entries. The competition will undoubtedly be more severe than last year as the large New York city schools, that carried off most of the prizes last year will be engaged in a meet of their own at that time.

The general program for the meet will be the same as that of last year. Suitable entertainment will be provided for all. The visiting men will be accommodated at the various fraternity houses as far as possible, but all will be cared for. The meet will be run off promptly as a time schedule for the events has been arranged.

In the evening an informal meeting will be held in the gymnasium, at which several short addresses will be made, the banner and prizes distributed, and light refreshments served. Altogether a cordial welcome will be extended by Old Union and everything possible will be done to give the visitors a "royal good time."

The schools entered are as follows:

Saugerties high school, Catskill high school, Claverack institute, Cambridge high school, Cooperstown high school, Johnstown high school, Troy high school, Egbert high school, Amsterdam high school, Rex's preparatory school of Utica, Troy academy, Troy conference academy, Rutland English classical institute, Utica free academy, Troy business college, Union Classical institute, Albany high school, N. Y. State Normal high school, and Fort Edward high school.

Ninety-nine Class Song.

1.
All is over, all is over:
College days are o'er.
Soon we'll pass beyond the blue gate,
Undergrads no more.
We must leave thee, dear old Union,
Though our hearts repine,
For no other class e'er loved thee
More than ninety-nine.

CHORUS.
Lift your voices then old classmates;
Bid a fond farewell;
To our grand old Alma Mater,
That we love so well.

2.
We have won the longed for honors,
Graciously bestowed,
For our zeal in seeking knowledge
In this famed abode.
Wear we now a wreath of laurel,
Happy fellows we;
But we'll miss thee, dear old Union,
When we're far from thee.—CHORUS.

3.
Soon we'll say our last farewells, and
With a parting clasp,
We will join our hands together
In a lingering grasp.
Should this be our final parting,
Brother, fare thee well;
Take thee up the white man's burden,
And thy grief dispel.—CHORUS.

4.
Whitey old, and Uncle Billy,
Loyal friends and true;
Perk and Ashy, Bance and Hoffy,—
Long live all of you—
Rip and Jimmie, Stoll and Tommy,
Pep and Pross and Pop,
Copy, Spike, two Johns, and Freddie,
And with Prexy stop—

CHORUS.
While we sing the chorus stronger
In a fond farewell
To our dear old Alma Mater,
That we love so well.

Don't fail to attend the Williams-Union Meet at Ridgefield, Albany, this afternoon. Every man in college ought to go. Train leaves for Albany at 1:33 p.m.

We do not believe the Hamilton team responsible for the item which appeared in a Utica paper concerning their defeat at Union. Such a declaration, coming from them, would seem to be very unsportsmanlike, and in justice to Mr. Carver we refute the allegation. A close observer of the game could not fail to see that Hamilton was defeated fairly.

Those who witnessed the Hamilton-Union baseball game last Saturday, could not fail to observe the marked improvement in Union's playing over that of the preceding games. Every man on the team was at his best, and Union won by superior work. If the team only plays as well in the game with Hobart today, we need not feel very anxious about the result. Let every man in college come out this morning and cheer the team on to victory. Remember what good rooting has done in the past. We need all that can be had all day long.

We wish to urge upon the students the necessity of an immediate payment of their baseball subscriptions. The schedule cannot be carried out as intended unless the money is paid in, and every man in college who has not paid his subscription is in duty bound to meet this obligation as soon as possible. The class collectors should make a thorough canvass of their classes, and every man should make it a point to look up the class collector. In this way there will be saved a great deal of unnecessary delay. This also applies to the subscriptions for track athletics. There are many expenses incidental to the meets, and cash is needed badly at the present time. We know the students are anxious for the success of the college teams, and we know that they will give their hearty support when the necessity of prompt action is made clear.

Next week Saturday is the day of the Interscholastic meet. It is necessary that everybody should lend a hand at that time and give the visitors a pleasant time while they are with us. It would be a good idea to have a campus meeting the same evening, so that the boys can see some Union enthusiasm when it is bubbling over. There are any number of ways of entertaining the visitors, but of what ever sort it may be, it should be of a general college nature, so that the high school boys may feel that they are being entertained by the college. It will awaken new thoughts within them, after they have listened to the college songs and a few of those speeches given by members of the faculty, that are peculiarly characteristic of the campus meetings. Furthermore, the students should attend the meet and make the affair as enthusiastic as possible. Good cheering and good singing will help to make the meet a lively one. Union, in taking up this idea of interscholastic meets, wishes to get the high schools interested in athletics. Therefore we must do all we can to show our enthusiasm, excite competition, and make a good impression.
THE CONCORDIENSIS.

9

Hamilton was Easy.

Union's chances for the baseball pennant this year were greatly strengthened, when on Saturday last, Hamilton was defeated. Only one error was made by Union and the team worked was a vast improvement over that in the Colgate game. There was a good sized crowd present which gave vent to its enthusiasm with frequent Union songs and yells.

In the first inning both sides failed to score. By a series of errors in the next Grout crossed the plate for Union's first run and was followed by Smith.

In the third inning no scoring was done, but in the next J. Millham scored Hamilton's first run. In the sixth French knocked a long fly into left field. The ball was blocked and he scored another run for Union before the sphere was returned to the box. This inning ended with the score 3 to 1.

In the seventh Baker was injured by Cook stealing second, but he was able to continue the game and Union's score was raised to 5 on singles by Purchase and Lawton, and in the eighth with the bases full, Grout was forced in and Hamilton in their half added two to their score.

Good batting by Union and errors by Hamilton in the ninth sent eight men across the plate for the Garnet while the best Hamilton could do was to go out in one, two, three order.

The Chi Psi Entertain.

The annual reception and dance of Alpha Pi of Chi Psi was given at Yates' boat house on Friday, May 5. Gioscia's music was, as usual, of the best, the floor was in fine condition, the refreshments well served, and the result was an enjoyable evening for Chi Psi's guests. Dancing began at nine and continued until after three in the morning. The refreshments were in charge of the fraternity chef. Those present were:

Mrs. Waters, Mrs. Bonesteel, Miss Waters, Miss Wolen, Kingston; the Misses Stebbins, New York; the Misses Thompson, Miss Hildreth, Miss Taylor, Albany; Miss McClellan, Cambridge; and from this city, Mrs. C. C. Brown, Mrs. Albert Brown, Mrs. Stoller, Mrs. Strain, Mrs. Gregg, Mrs. Pollard, and the Misses Clark, Steers, Mabel Horstman, Maud Horstman, Brown, Strain, Schoolcraft, Paige, DeForest, Schuyler, Walker, Ostrom, Lewis, Price, Kreigmann, Kingsbury, Furman, Campbell and Veeder; and Messrs. Smith, Williams College; Bradford, Broadalbin; from town, Howard Wright, H. DeW. Tremper, Frank Cooper, James Cooper, Frank Smith, Albert Brown, R. D. Sinclair, T. B. Brown and Harry Furman; from college, H. J. Hinman, G. M. Lilly, J. N. VanderVeer, E. W. Strong, Havilah Beardsley, R. C. Gambee, C. D. Stewart, Wagner Van Vlack, W. D. Loucks, A. B. Lawrence, D. W. Paige, G. W. Featherstonhaugh, Prof. Pollard, Prof. Opdyke, Prof. Bennett, Prof. Jones; and of the active Alpha of the fraternity, Messrs. Bradford, Bonesteel, Bray, Casey, Potter, Thomson, Rogers, Lawton, Brown, Golden, Morris, Crim and Ostrandcr.

The question this year at the Dartmouth-Williams debate is: Resolved, that the present tendencies of labor unions in the United States and Great Britain are detrimental to industry and dangerous to individual liberty. Williams takes the negative.
First Spring Campus Meeting.

Last Wednesday evening the first campus meeting of the spring term was held near Memorial Hall. After marching four abreast across the college terrace to the blue gate and back again, the students formed a semi-circle around the west steps of the "round building," near which the president and the dean were seated, calmly waiting for the students to regain their equilibrium.

President Bradford of the senior class opened the meeting and called on Dr. Raymond who gave an enthusiastic speech, filled with words of encouragement and advice. Dean Ripton then made a speech, very brief, but to the point. Prof. Truax was then called for, and he spoke entertainingly for some minutes, during which there were frequent outbursts of laughter and applause.

After Professors Opdyke and Pollard and a few under-graduates had addressed the meeting, the students formed in line and marched in single file about the campus and afterward through the principal streets of the city. While the speechmaking was going on, the freshmen built a large bonfire on the terrace between North and South colleges, which burst forth in a blaze of glory. The meeting did a great deal of good. It has increased the enthusiasm of the students and that is just what is needed at this particular time. When college enthusiasm is strong, everybody takes more interest in college athletics, and this means a great deal. These campus meetings should be of frequent occurrence from now until after the intercollegiate meet.

Personals.

Messrs. Smith of Williams and Bradford, '98, were guests on the hill Saturday.

Dr. Wells was present and spoke at the educational convention held at Syracuse University on May 2 and 3.

Prof. Ashmore was in New York on Thursday and Friday, attending meetings of the Managing Committee of the American School of Classical Studies in Rome, and of the Council of the Archaeological Institute.
