Joseph C. Yates,\* Union College, Class of 1807

Note:- We are not now positive who this Joseph C. Yates, Union 1807, was, but we are assuming, after a study of many Yates families of Schenectady that he was the son of John Yates, that he was born October 4, 1786, and died June 12, 1837. He entered from Schenectady and died there. If a Schenectady paper of this date (6.12.1837) can be consulted it might clear the matter completely. W.N.P.D.
