Hamilton the Victor on the Track.

At the third annual meet of the N. Y. S. I. A. U. held at the Schenectady driving park on the afternoon of Decoration day, Hamilton for the second time proved herself superior to Union in track athletics. The contest was not, however, a one-sided one, for up to the close the issue was in doubt. The meet, though different in name, was in fact a dual one, for neither Hobart or Colgate sent representatives. Hamilton brought down with her a good sized delegation of rooters who kept up the cheering throughout the afternoon. The familiar “Hikah” resounded on all occasions, the losing man receiving quite as much encouragement as the more fortunate winner.

Captain Price was the bright particular star of the day. The hundred, two-twenty, and four-forty yard dashes are all credited to his speed and endurance. Weed who broke the college record in the pole vault and captured first place in the high, and second in the low hurdles, together with Ostrander, the crack Hamilton long distance runner, did splendid work for their respective colleges. The intercollegiate records were broken in the mile walk, pole vault, hammer throw and shot put. Union’s defeat is mainly due to her weakness in the field events, for with but one exception the Clintonites were victorious in them.

The first race, the 100 yard dash, was pulled off promptly at 2:30 P. M. At the crack of the pistol the men shot down the track, Van Allen and Henderson neck and neck with Price. Soon Price pulled out to the fore and kept his head to the finish.

100 yard dash.—Won by Price, U.; Henderson, H., second; Van Allen, H., third. Time, 10 2-5 sec.

The half mile was the next event. Hawkes took the pace and held it until nearing the stretch when Ostrander jumped to the lead and won handily.

88o yard run.—Won by Ostrander, H.; Barnes, H., second; Gulnac, U., third. Time, 2:05.

The high hurdle race was run in two heats. Griffith and Dunning won the first heat. In the second Weed outclassed the two Hamilton men and slowed up at the finish in order to make the time slow. As this was the slower heat and Union had three places, the final was not run, Weed being conceded first.

120 yard hurdles.—Won by Weed, U.; Griffith, U., second; Dunning, U., third. Time, 18 1-5 sec.

In the mile walk Lee of Hamilton started at a killing pace and kept it up throughout. Paige pluckily hung by him until the final sprint.

The 220 yard dash was very exciting. Van Allen lead until fifty yards or so from the finish when Price spurted finely and finished but a short distance ahead. No time was taken in this event but it was probably close to the record.

220 yard dash.—Won by Price, U.; Van Allen and Henderson, H., tied for second place.

The two mile bicycle race was carried off by Stowell of Hamilton. Huntley spurted too early in his race and the heavy wind on the stretch stopped him.

Ostrander easily ran away with the mile. He slowed up on his sprint and carried Naylor in but a yard ahead of Gulnac.

Mile run.—Won by Ostrander, H.; Naylor, H., second; Gulnac, U., third. Time, 4:58.

Hammer throw.—Won by Drummond, H.; Finegan, U., second; Castle, H., third. Distance, 97 ft.
Shot put.—Won by Webster, H.; Slack, U., second; Ward, H., third. Distance, 36 ft. 1 1/2 inches.

Running high jump.—Won by Robertson, H.; J. B. Millham, H., second; Griffith, U., third. Height, 5 ft. 2 in.

The pole vault was the most exciting of the field events. Baker and Weed tied for first place at the height of 9 ft. 10 in. This breaks the college record of Sylvester, '99, 9 ft. 9 1/4 in., made in the mid-winter meet one year ago.

Pole vault.—Weed, U., and Baker, H., tied for first place; Roberston, H., third. Height, 9 ft. 10 in.

Running broad jump.—Won by Robertson, H.; Davis, U., second; Holbrook, H., third. Distance, 20 ft. 3 1/2 in. Davis’ jump was 19 ft. 11 3/4 in.

Weed was obliged to go into the finals of the 220 yard hurdles immediately after forty-five minutes of pole vaulting, and hence he only tied for second place.

The 440 yard dash was one of the prettiest races of the day. Hamilton looked for Mason to take it, and for half the distance he held the lead. Then Price began to creep by and slowly but surely increased his lead, winning in a strong spurt in 52 2-5 sec.

440 yard dash.—Won by Price, U.; Mason, H., second; Barnes, H., third. Time, 52 2-5 sec.

The Minstrel Performance.

Before a large and appreciative audience, the minstrels gave their performance last Tuesday evening. The house was well filled, and from beginning to end, showed entire satisfaction at the efforts of the boys. The performance was a little delayed, owing to the length of time taken by the inter-collegiate meet; but from 8:30 until the near approach of midnight, the boys performed the opera to perfection. The fellows appeared at their best, and fully merited the praise which they received. The following program was presented:

Medley Overture. orchestra Opening Chorus. "Connville Band" "Darkies' Lullaby" Mr. Barrett "Ma Honey Gal!" Mr. Ripley Chorus, "The Darktown Guards" "Dat's Me" Mr. Enoch "Daddy's Piccaninny Boy" Mr. Shelley "Mr. Coon, You're All Right in Your Place" Mr. Minikin "The Black Four Hundred" Finale Chorus

PART I.

PART III.

THE CONCORDIENSIS.

It is hard to pick out those whose work can be considered as superior to the rest. The choir, many of whom it was difficult to distinguish, owing to their perfect "make up," rendered their selections in true minstrel style. The end-men, Messrs. Ripley, Enoch, Minkin and Thebo, were a treat, and showed themselves almost the equal of professionals. As interlocutor, H. P. Willis maintained a serenity and dignity that was encouraging to the whole performance. The soloists commanded the attention and applause of the audience, and had to refuse many encores. With new jokes, local hits, and pleasing songs, this part of the program was entertaining to the extreme. At its end the lights on the stage and in the auditorium were turned out and Prof. Pollard whistled, "My Old Kentucky Home." When he stopped the intense quiet was changed to a spontaneous burst of applause.

In part two the specialties were a surprising as well as a delightful feature of the program. None of the entertainers failed to secure prolonged applause, and in the "March of the Amazons," the latter rendered very feelingly a selection. The very appearance of the choir was enough to convulse the audience, but when they sang the people laughed until the tears came. The Professor, J. W. Binney, and S. E. Druce rendered very effective work, that held the audience in wonderment. Hinman with his long-drawn-out "yarn" and topical songs, made a pleasing impression. The "March of the Amazons," under the guidance of Bonesteel and Hackett, gave a powerful climax to this part of the program.

Between the second and third acts the Zion choir accompanied by Prof. Rost on the organ, rendered very feelingly a selection. The very appearance of the choir was enough to convulse the audience, but when they sang the people laughed until the tears came. The choir was composed of Messrs. H. H. Hinman, A. H. Hinman, W. S. Yates, C. J. Potter, G. W. Featherstonhaugh, and P. L. Thomson, the two latter taking the parts of females.

The conclusion of the entertainment,—the farce, while it was especially interesting to the students and a few of the professors, gave the audience a good idea of "college life." Prof. Cook gave such a good exhibition of teaching propensities that it ought to secure him a place on the faculty. Up to the moment when "Mrs. Featherstonhaugh wrecked the school," and drove to desperation the patient "Prof." the audience rolled with laughter.

In the opinion of all, the performance was an entire success, and the management can look back on labor not spent in vain. Considering the hard work of gathering material, holding frequent rehearsals, arranging the entertainment, etc., the thanks of the whole college are due to those who have directed the minstrels, and to Prof. Rost in particular for his efficient work in training the chorus. The proceeds netted a good sum, and as they are to be given to the athletic and musical associations, it will give them an impetus that will insure success for the future.

The managing committee was made up of Prof. Opdyke, Prof. Pollard, Prof. Tracy, J. N. Vander Veer, Wagner Van Vlack, P. L. Thomson, Leopold Minkin and H. J. Brown.

The chorus for the first part was made up of the following men: Messrs. Featherstonhaugh, Palmer, Read, Thomson, Slack, Weed, Barrett, Hackett, Morris, Crim, Keens, Chute, Dunham, Lawton, Paige, Potter, Merriman, Golden, Shelley, Crain, Stiles, Bothwell, Hawkes, Balny.

Junior and Sophomore Orators Selected.

The preliminary contest for the junior and sophomore oratoricals was held in the chapel last Thursday evening too late for mention in last week's Concordiensis. Prof. Hale presided and the committee of judges was composed of Dr. Steeler and professors Opdyke and Bennett.

From the eleven contestants the judges selected the following eight:

why Union cannot have a strong team if the men will only attend to business. We do not like to criticize the work of the team, but when the students have subscribed a good sum for baseball, they expect to get something in return, and we feel it our duty to criticize, when things seem to be going the wrong way.

WE ARE sorry to be compelled to chronicle another defeat for Union in track athletics. Although the men showed up finely, Hamilton won the pennant for the second time, and by a good margin. Hamilton had to work hard for some of the events, and if Union had better facilities for training, the result might have been far different. Colgate and Hobart were not represented in any of the events. We do not think this at all fair to the other members of the league. These colleges should have taken part even at some sacrifice. It does not seem right for these colleges to enter only in those branches of athletics in which they are strong, and refrain from entering those in which they are weak. They ought to be willing to come out and show what they can. It is gratifying to note that the meet was a success financially. The day was pleasant and a great many Union alumni and others interested in the college were in attendance. More than enough to cover expenses was taken at the gate, and there will remain a neat balance to be divided among the members of the league.

The Baseball Outlook.

Now that Hamilton has captured the track pennant, the students are more than ever of the determination that the baseball championship must come to Union. There have been rumors afloat that the Colgate team has disbanded but up to Thursday night Manager Gambee had received no official notice to that effect. Whatever the truth may be about this, it is safe to say that the contest has now narrowed down to one between Union and Hamilton, for the latter by defeating Colgate last Saturday by a score of 16 to 4, tied with Union our league standing of four games won and one lost.
Of course there is a possibility that Colgate on her own grounds might defeat either of the leaders in their return games there, but waiving this as improbable, Union and Hamilton must play off the tie on neutral ground. Just where this should be is a matter of some importance. From the managers' standpoint either Utica or Albany would be preferable, but each of these towns is too near to the respective colleges, for in Utica the crowd and the rooting would be distinctively Hamiltonian while at Albany Union would have any possible advantage. About half way between the two places would be most desirable. Fort Plain and Canajoharie are both good baseball towns and either ought to give enough patronage to a contest of this kind to pay the expenses of both teams.

Too much cannot be said in favor of having the game as soon as possible, provided in good training and before the excessively hot weather sets in the game ought to be played. If the matter be allowed to run two or three weeks, all interest in the pennant race will be lost.

A Defeat for the 'Varsity.

On Saturday last Union played her second game with the Schenectady Citys, a local team. The game resulted in a victory for the latter, and, though loosely played, there were several features which made it interesting.

Mallery was in the box and pitched fair ball, but was miserably supported. The whole team played with a listlessness, indicating that something was radically wrong. Except for Rice's wildness, he pitched an effective game. Cook's playing behind the bat for Union was hardly up to the standard. Edwards covered first in place of Hegeman and Carver played French's position in right field.

Most of the runs were made in the first four innings. The features were the three double plays made by union as a result of Bradt's erratic base running, and Lawton's catch of Hourigan's fly in the fifth inning. The score:

Rev. Clarence A. Walworth, '38.

The Albany Sunday Press of a recent date contained the following interesting sketch of the life of one of Union's older alumni under the title "Grand Old Men of Albany."

MANY YEARS A PRIEST.

"The Rev. Clarence A. Walworth, LL. D., is another one of Albany's grand old men. He was born in Plattsburgh, N. Y., on May 30, 1820, thus making him within a few weeks of being seventy-nine years old. After his preparatory education in the schools of his native town he entered Union College with the class of '38, and studied to prepare for a secular career. Upon graduating he resumed study in the Episcopal general seminary, from which he was graduated in 1845. Thereupon he took up the study of law and was admitted to the bar. But his intentions changed and resolving to satisfy a desire to enter the priesthood, he gave up his law practice, was converted to the Roman Catholic faith and went to Europe to pursue his theological studies.

In 1848 he was ordained and returned to America in 1850, he joined the late I. T. Hecker and others, in 1858, for the purpose of founding the order of Paulists. Being affiliated to the diocese of Albany, he was appointed pastor of St. Mary's church in 1866. To the present date he has labored industriously in the interests of Roman Catholicism and has retained his position at the head of St. Mary's. Much of his time has been spent in the interest of the temperance cause and he has distinguished himself as a writer and lecturer. It is mainly through his efforts that St. Mary's school, on Lodge street, is being built, and toward the establishment of this school he has been a liberal subscriber."
