

CLASS OF 1824

RICHARD FULLER

Son of Jeremiah and Mary (Kendall) Fuller  
Born October 28, 1804

Was a graduate of Union College, and at one time a room-mate there of myself. I still remember, with melancholy pleasure, our genial intercourse and harmony during that period of young life. He was a practicing physician at Schenectady, and at one time Demonstrator of Anatomy in the Medical Department of Clinton College, at Fairfield, Herkimer county. A deep thinker and student, his life of promise and usefulness was cut off by insidious disease, May 15, 1837, at the early age of 33 years, much regretted by those who knew his sterling qualities.

In "Amherst Academy", p. 56, by Frederick Tuckerman, published at Amherst in 1929, reference is made to the granting of the A.B. degree to seven Amherst men, and also the reason, at the Union Commencement of 1824.

The seven Amherst men were:

Edwards A. Beach  
\*Elisha Lord Fuller  
Richard Fuller  
Joseph A. Hall  
Freeman Howland  
Abel Packard  
George A. Shepherd.

\*Our alumni catalogue gives "Elijah", but it is Elisha in the Amherst Alumni catalogue.

In future Union Alumni catalogues, I think these men should not be listed as Union graduates, but listed under an appropriate heading.
