SIR,—

It is the aim of the subscriber, in collecting the information asked for by the following questions, to obtain materials for a concise Biographical Catalogue of the Trustees, Presidents, Professors and Tutors of Union College;—of those who have received Honorary Degrees from it, and of all who have ever entered that Institution, whether Graduates or not.

That such a work would be interesting and useful to the Alumni, will not be denied; but whether it be practicable, will depend chiefly upon the ready aid which they shall impart. This circular will be sent to every Graduate whose residence is known, (or, if deceased, to some near connection,) and it is confidently expected that no one will neglect to return it in due time, with as full information as circumstances will allow:—some of the questions, indeed, it may not be possible to answer with certainty; others not at all: still, it is hoped that no important facts will be withheld because of their fewness.

Death has removed the twenty-four original Trustees, the first three Presidents, the early Professors and Tutors, and from eight hundred to one thousand of the Alumni of the College. Doubtless their friends and descendants will cheerfully contribute such information as may be necessary to illustrate the lives and services of the departed.

The subscriber desires every aid that may help to throw light upon the personal history of those concerned:—Obituary Notices; Biographical Sketches, Epitaphs, Funeral Sermons, Newspaper Notices of election to important offices or stations, Business Cards and Advertisements; also, copies of their Literary Works, Addresses, Sermons, Essays, Newspapers, engraved Portraits, &c.; all of which will be deposited and preserved in an Alcove of the College Library, to be set apart for "Graduates' Works."

He also requests that all future changes affecting the answers which shall be given, be made known to him from time to time:—especially the deaths of Graduates, and that the usual obituary notices or funeral sermons published on such occasions, be sent with the announcements, as it is his purpose to publish these deaths hereafter once a year.
