## ROCHESTER DEFEATED.

### In a Snappy Game Union Wins Her Third and Last League Game of the Season.

Union won the football pennant of the New York State Intercollegiate League for the second successive season last Saturday by defeating the eleven of the University of Rochester at Rochester by the decisive score of 23 to 5. The game throughout was marked by lightning fast formations, perfect interference, clever generalship, crisp and snappy play on the part of the Union players. Rochester put up a strong game but at no time was the result of the game in doubt. The Rochester supporters were confident that Rochester would win or at least hold the Garnet down to a small score, but their hopes were doomed to disappointment. Almost all the play throughout the entire game was in Rochester territory. Union's backs were faster than those of Rochester, and the Garnet line was far superior to that of its opponents. Union repeatedly held Rochester for downs while Rochester obtained the ball but once on downs. Union's interference was excellent. Fumbling was frequent on both sides.

Mallery was easily the best man of both teams. He did the most ground gaining for Union. Cronkhite again exhibited his wonderful quickness and accuracy. Griswold played an especially strong game and through his quickness made the last touchdown for Union. Paige, Gulnac and King made good gains for Union. Finegan and Collier played an excellent game at left and right tackle respectively. Baxter and Zimmer were the best players for Rochester, making good gains and tackles. Gladwin was the strongest man in the line. Hyde was a good ground gainer.

## FIRST HALF.

Rochester kicked off to Union's twenty-five-yard line and Union brought it back fifteen yards. After two downs Paige punted to Rochester's thirty-two-yard line. On Osterhoudt's fumble it was Union's ball. On the next two plays Union brought the ball to Rochester's two-yard line where an off-side play gave the ball to Rochester. Then Rochester advanced the ball to their twenty-five-yard line where Osterhoudt punted to Union's forty-yard line. The ball was brought back twenty yards and then by line bucks and end plays the ball was brought to Rochester's twenty-yard line. A centre play, line buck and end play put Mallery over for the first touchdown after eight and one-half minutes of play. Cronkhite punted out and Paige missed the goal.

Rochester kicked off to Union's thirty-five-yard line. Union was forced to punt and Paige punted to Rochester's fifty-yard line. Hyde made five yards and then Union obtained the ball on downs. Mallery and Olmsted gained ten yards. Rochester obtained the ball on a fumble and then advanced the ball to Union's twenty-yard line where Lawton fumbled the ball. Union advanced the ball to Rochester's forty-yard line where Rochester obtained the ball on a fumble. Rochester brought the ball over the centre line when Hyde fumbled the ball. After a few short gains Mallery was given the ball on a double pass and with good interference made a run of fifty-five yards for a touchdown. Cronkhite kicked out and Paige kicked the goal.

Rochester kicked off to Union's ten-yard line and Union advanced the ball to the forty-yard line where Rochester obtained the ball on a fumble when time was called. Score, Union, 11; Rochester, 0.

## SECOND HALF.

Union kicked off to Rochester's ten-yard line where Osterhoudt picked up the ball and made

a run of sixty yards. The ball was then advanced to Union's twenty-five-yard line, where Rochester lost the ball on downs. Union advanced the ball fifteen yards and then Paige punted to the centre line. After three downs and no gain, Osterhoudt punted to Union's five-yard line where it was Union's ball first down. Paige attempted to punt, but punted into the line. The ball rolled behind the goal line and Zimmer fell on it, scoring Rochester's only touchdown. Osterhoudt failed to kick goal.

Union kicked off to Rochester's twenty-yard line. Rochester advanced the ball to Union's forty-yard line and then punted to the seven-yard line. The ball was brought back fifteen yards. On the second line-up, Mallery, aided by good interference, ran around left end for a touchdown. Paige kicked the goal.

Rochester kicked off out of bounds and on the second attempt kicked the ball to Union's ten-yard line. Gulnac brought the ball back twenty yards. Union advanced the ball to Rochester's thirty-five-yard line when Paige was hurt and King took his place. King made several good gains and the ball was brought to Rochester's three-yard line where Union lost the ball on downs. On two line-ups Rochester made no gains, on the third line-up Rochester fumbled the ball and Griswold picked it up and brought the ball up for a touchdown. Mallery kicked the goal.

Rochester then kicked off when time was called. Score, Union, 23 ; Rochester, 5.

## DR. PEARSONS' GIFTS TO SMALL COLLEGES.

In the November issue of "The American Monthly Reviews of Reviews" appears a very interesting article about Dr. D.K. Pearsons of Hinsdale, Ill., who is known as the "friend of the American small college." He ranks with such men as Andrew Carnegie and John D. Rockefeller in his beneficence and philanthropy to educational institutions, indeed, the results have been far more reaching as he has made his endowments to the smaller colleges. Dr. Pearsons is a Vermonter by birth but a Chicagoan by adoption. He prepared at Bradford Academy for Dartmouth in which he spent one year. Though educated for a physician, he practiced his profession but little. He went to Chicago at the beginning of the heavy boom in real estate. He rented a space in a law office and "hung out his shingle." His scrupulous honesty and business acumen soon brought him all the business he could handle. His expenses were very light and he and his wife lived very moderately so he was enabled to save almost all his commissions. He always gave assistance on a fairly generous scale to worthy causes but it was not until 1890 that he gave anything to an educational institution. His first gift in this way was to Beloit, College located at Beloit, Wisconsin, which inaugurated a career of judicious giving to the small colleges of the West which will make his name famous forever in American educational annals. His gifts to colleges up to date amount to \$3,400,000.00 and his gifts were so conditioned upon the giving of others that he has brought into the treasuries of these colleges not less than \$8,000,000.00.

Dr. Pearsons has been asked why he chose the small college as the object of his beneficence? He replied that the small college rather than those of the great universities make up the moral backbone of the nation. He believes, further, that the moral and intellectual life of the students of the small college is conserved by the greater intimacy between the instructor and students and among the student body. Like Mr. Carnegie, Dr. Pearsons is a Scotch-American but one with an infusion of good Yankee blood.

## ASSOCIATION OF COLLEGES AND PREPARATORY SCHOOLS.

At the fifth annual meeting of the association of Colleges and Preparatory Schools of the Middle States and Maryland to be held at Syracuse University on November 29th and 30th Union will be represented by President Raymond who will deliver an address. The following institutions will be represented by the following men who will make addresses: Cornell will be represented by President Schurman, Harvard by President Eliot, Rochester by President Rush Rhees, Columbia by President Butler. Chief Justice Parker and the Hon. St. Clair McKelway of the Brooklyn Eagle, will also deliver addresses.

## ALBANY LAW SCHOOL.

Henry Hirschfeld, 1901, has opened an office in the Bensen Building, State street, Albany, N. Y.

George B. McCarter, Jr., 1902, has been elected chairman of the Clinton County Democratic Committee.

William M. Verbeck, 1901, of Ballston Spa, and George S. McMillan, ex-1902, of Rochester, visited friends at the school last week.

William V. Cooke, 1900, is a member of the Democratic General Committee of Albany, and was quite prominent as a stump-orator during the recent campaign.

Ralph J. Hawkins, ex-1902, passed the State Bar examinations recently held at Syracuse. He will be sworn in at the next term of the Appellate Division to be held at Brooklyn.

The cancellation of the Union-Syracuse game was a great disappointment to the school, as extensive preparations were under way for having the Law department represented on the campus by a large body of "rooters."

A movement is on foot among the juniors looking to the organization of a "debating union" for the discussion of legal and semi-legal topics. At a well-attended meeting of those interested, held on Friday evening, Albert E. Bryan, Harcourt M. Taylor and Leopold Minkin were appointed as a committee to investigate the matter, and report a plan of organization.

In order to accommodate the rapidly increasing number of students coming from states that do not follow the "Code System" a course of lectures on Common Law Procedure, by Mr. Lewis R. Parker, has been added to the curri-

culum. Members of the senior class are allowed to choose between this course and that on "Code Procedure" delivered by the dean. At present there are students from Massachusetts, Connecticut, Rhode Island, Illinois, Kentucky, Kansas, and other states, so that for them this course should prove most advantageous.

## 1904, 11; 1905, 0.

In the third game of the inter-class series played on Thursday, the freshmen were defeated by a score of 11 to 0. Their opponents, 1904, averaged in weight about the same but played much fiercer football. Lack of practice showed most of all in the avidity with which 1905 fumbled the ball, since the sophomores made their second score on a fumble. No members of the 'varsity squad were allowed to play. Manning, Nutt and Vedder made good gains for the freshmen. 1904's backs were united in doing efficient work and were ably supported by Bradley, their right end.

When the game was called, the sophomores won the toss, and chose the kick-off. Immediately after the ball was put in play, 1905 fumbled and lost the ball. End plays netted the sophomores four yards but Watson failed to gain his distance through the line. The freshmen secured the ball and promptly lost it on a fumble.

After a couple of line bucks, Langlois circled the left end for a touchdown. The goal followed. Score, sophomores, 6; freshmen, 0, after four minutes of play.

On the kick-off Sherrill advanced the ball fifteen yards. Watson and Glutzbeck made two or three yards apiece and behind good interference Bradley advanced the ball seven yards, but lost the ball. 1905 failed to gain and punted.

Small gains obliged the sophomores to return with a kick. With the ball on the fifteen-yard line the freshmen punted. A fumble occurred and the freshmen recovered the ball on the sophomores' twenty-yard line. Raymond and Holmes made gains but fumbled and Glutzbeck

got the ball and ran down the field for a touch-down. No goal. Score, sophomores, 11; freshmen, 0.

ON the college oval next Saturday will occur the fall inter-class athletic meet. The management is especially anxious to have all of the managers of the class teams to use their best endeavors to have their classes well represented at the meet. This meet is intended principally to bring out any latent qualities that may be in the freshman class. Now is the best possible time for them to try their powers to see what they really can do. Let every man in the freshman class show up and every man in the other classes, who thinks he can do anything on the track. Trips will be taken in the spring, one has been positively decided upon, that to New York University in May. If a sufficient number of men show up on Saturday and the quality of their work will warrant it, a coach will be secured who will carry the candidates through a course in

the gymnasium during the winter term, so as to have them in the best possible condition when the weather opens up in the spring.

THE game with Rochester on last Saturday completes the list of League games for this season with Union again the victor. Union has well earned the pennant for the season of 1901 which she will receive in due time. Colgate stands second to Union in the number of League games won for the season, having two to her credit and having lost one. Hobart won one game and lost two while Rochester did the same. Union won her games fairly and justly and has just cause for feeling pleased with her record. It is with no feeling of crowing that this is said for there are two things we learn to do at Union and those are to take defeat and victory alike in a true sportsmanlike manner. When Union is outplayed and is beaten it is acknowledged, and not a long list of excuses made in explanation of it, nor do we indulge in any attempts at belittling our victorious rivals by giving exaggerated accounts of the game to the public press.

## CLASSES IN BIBLE STUDIES.

At the Vesper service Sunday evening last, H. L. Crain spoke of the reorganization of the Bible classes conducted under Y. M. C. A. direction. The invitation was cordial for all the students to join one of the classes of which there will be two. The work taken up will be a continuation of that of last year, employing the same books: "Studies in the Life of Christ," by Sharmon, and "Studies in the Acts and Epistles," by Stevens and Burton.

The president wishes it clearly understood that the course involves personal study by each member of the class. Plans are being perfected for the work to begin at once. It is optional with the student which course he may choose to pursue. However, it may be stated that the "Studies in the Acts and Epistles" is the more advanced.

### COLLEGE NEWSPAPERS AND MAGAZINES.

We hear a good deal nowadays about the influence and the freedom of the press. College students have found that the old adage, "The pen is mightier than the sword," is true of undergraduate life, and instead of breaking windows and committing other lawless acts, they make known their grievances in the regular college organ, thus bringing the matter before the faculty in a legitimate way. Except in some rare instances the freedom granted the college press is remarkable. This by no means implies that the faculty is always in sympathy with the views expressed. Far from it.

With the decline of oratory and debate the literary life has found its only expression in the college magazine. The matter found in such publications as the Yale Literary Magazine, the Nassau Literary Magazine, the Red and Blue of Pennsylvania, the Amherst, Williams, Wesleyan and Dartmouth literary monthlies, the University of California Magazine, and many others, shows that the ability of the student to express his thoughts in clear, vigorous English is not on the decline in our collegiate institutions.

According to the best information obtainable, the oldest publication is the Yale Literary Magazine, which was established in 1836. The next is probably the Nassau Lit., of Princeton, having been founded in 1842. In no paper in the country can be found a better class of humor than in the Harvard Lampoon, the Cornell Widow, or the University of Michigan Wrinkle. It is the kind that does not leave a bad taste in the mouth.

Yale was the first college to have a daily paper. Ever since the first issue in 1878 the Yale daily news has stood well in the lead, having a circulation at the present time of nearly twenty-five hundred. The Californian, the Cardinal of the University of Wisconsin, the Daily Princetonian, the University of Michigan Daily, the Pennsylvanian, and the Harvard Crimson are reported to have a thousand or over. The Brown Daily Herald and the Cornell Daily Sun,

though not having so large a circulation, are well edited papers. It is needless to say, being true of most publications, that they are issued only during the college year. In one instance a Sunday edition is printed, with, however, an omission of the Monday's issue. This enables the students to get Saturday's news while it is still fresh, and does away with the Sunday work for Monday's paper.

From a journalistic point of view Yale is the foremost college in the country. At New Haven there are published Yale Alumni Weekly, Yale Courant, Yale Daily News, Yale Scientific Monthly, Yale Review, Yale Record, Yale Literary Magazine and Yale Medical Journal. Possibly the first and last mentioned might not strictly belong under the head of college journalism. Harvard, Michigan, Princeton and University of California are exceptionally well represented by student publication.

According to the latest reports there are two hundred and sixty-six collegiate periodicals printed in the United States. This is exclusive of all fraternity publications. Of this number one hundred and fifty are monthlies, sixty-five weeklies, eleven dailies, twelve quarterlies, ten bi-weeklies, nine semi-monthlies, three semi-weeklies, four tri-weeklies, two bi-monthlies.—Ex.

### STUDENT VOLUNTEER MOVEMENT.

D. Brewer Eddy, Yale, '98, who is traveling this year in the interests of the Student Volunteer Movement for Foreign Missions gave an address in chapel last Friday afternoon on the work. Mr. Eddy expects to go to India as a missionary within the next few years, his mother being there at present as principal of a school for the children of missionaries. He has also a brother in the mission field.

Mr. Eddy during his undergraduate life at Yale took a prominent part in college affairs. He was for three years on the Yale Glee Club. He has traveled quite extensively in Palestine, Egypt, India and England and gave a very interesting appeal in behalf of the great work.

## CAMPUS NOTES.

Pritchard, O3, was elected assistant manager of the track team at college meeting on Monday.

Among the young alumni who have been on the hill recently are Hinman, '99; Kline, '01; Miller, '01; Slack, '01; Dunning, ex-'02; Leavenworth, '01.

Rev. Mr. Maier of the Union Presbyterian church of this city addressed the students at the regular vesper service in Silliman Hall on last Sunday afternoon.

A number of Union alumni who are in the test department of the General Electric Company attended the test banquet held in Albany at the Stanwix Hall on last Friday evening.

Chiefly through the agency of the manager of the baseball team, L. W. Bloch, the baseball pennant of 1900 has been secured and is now displayed in the trophy room in Silliman Hall.

## INTER-COLLEGIATE.

A book entitled “The History of Athletics at Princeton” has been published.

The Berlin Academy of Science recently elected Hon. A. D. White an honorary member.

The faculty of the University of Iowa are seriously considering the giving of credit for work done in intercollegiate debate.

The total number of candidates at the June entrance examinations at Harvard was 1,425, as against 1,461 in 1900 and 1,369 in 1899.

At the University of Minnesota the question of allowing one semester's credit for a year's work in the Glee and Mandolin clubs is being agitated.

Princeton defeated Columbia in their annual Tennis Tournament, winning five of the six matches in singles and all three of the matches in doubles.

Several of America's largest colleges have enrollments as follows: Harvard 5,740, Michigan 3,813, California 3,216, Cornell 3,000, Pennsylvania 2,583, Yale 2,544.

Michigan University is the first college in the country to attempt to support two daily papers. The U. of M. Daily and the Varsity News are the names of the two competitors.

The freshman class at Harvard numbers 553, and at Princeton the entering class has 400 members. In both of these institutions these numbers surpass all previous records.

Harvard won the team championship of the Intercollegiate Golf Association, defeating Yale by the score of 12 to 3½ points. By this victory Harvard becomes the permanent possessor of the Ardsley cup.

The Pennsylvania debate committee has chosen for the debate with Columbia the negative side of the question: “Resolved, That any amendment to the constitution of the United States providing a change in the method of treaty-making is undesirable.” Pennsylvania will probably support some change which will make it more difficult than at present to make treaties.

### THE ABOLISHING OF HAZING BY WESTERN COLLEGES.

It would seem as if the time-honored customs established in the colleges of this country were to be generally revolutionized in the West. Last year twelve students of the sophomore class at the University of Iowa were expelled for kidnapping the president of the freshman class on the eve of the freshman banquet. These students were among the best in the university and had voluntarily confessed to the kidnapping. Lately, twenty-nine students of the University of Missouri were suspended for "setting up" a freshman. They will not be allowed to enter again unless they individually apologize to the victim of their sport. The freshman was taken into the woods, stripped and made to dance.

The faculties of a great many western colleges and universities have strictly prohibited all practices of hazing and rushing between the two under classes. The cane rush is a thing unknown to many western college men.

### RESULT OF LEAGUE GAMES.

The following is the record of the league games of the New York State Intercollegiate League for the football season of 1901:

|                 | WON. | LOST. | P. C. |
|-----------------|------|-------|-------|
| Union .....     | 3    | 0     | 100   |
| Colgate .....   | 2    | 1     | 66⅔   |
| Rochester ..... | 1    | 2     | 33⅓   |
| Hobart .....    | 1    | 2     | 33⅓   |

Dr. Griffis' new book will trace the tremendous educational impulse Japan has received from the United States.
