## Union Loses to Hamilton.

The first league game for the representatives of Old Union took place last Saturday at Clinton and resulted in defeat for the wearers of the garnet. The result of the game was a surprise to everyone, and Union's defeat can be ascribed to the homely fact that it was an "off-day" for the team. With a record of six games won and none lost, Captain Smith and his men had little fear that Hamilton would be the winner, and possibly this confidence was in part responsible for the result. At any rate, we were beaten, and the final score was not due to any one or two particular plays, or as they are called in football parlance, "flukes."

It must be acknowledged that Mallery was sadly missed back of the line, both in defensive and offensive play, and many times did Union's ends miss tackles, which netted large gains for Hamilton. To be sure, the field was in a condition almost unfit for a game, but then this was as much of a drawback to one eleven as to the other.

All these excuses might be brought forward, but there is no need of this. Union was beaten, but not for a minute has the team lost confidence in itself nor have the students lost faith in the team. The season is not yet over; the pennant is not yet won; and as far as Union is concerned she proposes to keep at it so long as there is a fighting chance.

### THE PLAY.

Hamilton won the toss and chose the south goal. Union kicked off. The ball was blocked by Stone, on the 10-yard line, and advanced to the 20-yard line. Mason went around Union's left end for a gain of 30 yards. Stone made a gain of 20 yards around the right end. Stone went around the right end again, and with good interference and a clear field started for Union's

goal. On the 10-yard line the ball slipped from his grasp, and bounded off upon the ground. Mason snatched it up and scored a touchdown. Cunningham kicked a goal.

Hamilton kicked off. Keogh returned the ball by a punt to Hamilton's 25-yard line. The team lined up with the ball in Hamilton's possession. Mason was sent around left end for a run of 60 yards, and a touchdown. Cunningham kicked goal.

Union kicked off. Robertson caught the ball on the 20-yard line and returned it to the 35-yard line. Cunningham gained 25 yards. A few more plays followed and time was called with the ball on Union's 25-yard line.

In the second half Hamilton kicked off to Union's 10-yard line. The ball was returned to the 10-yard line. Union "braced up" and played faster. Gains through the center and around the end advanced the ball to Hamilton's 10-yard line where the ball was secured by Hamilton on downs. The ball went to Union on a forward pass, and Carver was pushed over for a touchdown. Keogh failed at a goal. Score: Hamilton, 12; Union, 5.

Union kicked off. Stone secured the ball and advanced it to Hamilton's 25-yard line. Mason after a magnificent run brought it to Union's 10-yard line. Cunningham then went over the line for a touchdown, but missed the goal. Score: Hamilton, 17; Union, 5.

Hamilton kicked off. Fenton advanced the ball to Hamilton's 12-yard line. Hamilton secured the ball on downs. Cunningham and Mason advanced it to the middle of the field. Union got the ball on downs. Keogh punted to Hamilton's 15-yard line. Hamilton lost the ball on downs, and Fenton went over the line for a touchdown. Keogh failed at goal. Time was called with the ball near the middle of the field.

## Mrs. Gould's Recital.

Mrs. Gould's piano recital at the Alpha Delta Phi house last Saturday evening is one long to be remembered by her appreciative audience, composed largely of the elite of Schenectady. The parlors of the beautiful fraternity house echoed with the melodious music of a dozen of the world's leading composers.

The poetic and dramatic interpretations of the masterpieces proved Mrs. Gould to be an artist of wonderful ability. Her genius, her varied moods, her culture, were pre-eminent. The program follows:

## HAMILTON, 17.

## Second Eleven, 0; Johnstown

Y. M. C. A., 16.

Last Saturday the Second Eleven was defeated by the Johnstown Y. M. C. A. by a score of 16—0. Considering that this was the longest game the scrub has played this year (two 20 minute halves) and that the opposing team was made up almost entirely of ex-college players, the team is to be congratulated on keeping the score down as well as it did.

The Johnstown men played together remarkably well. They had a large number of formation and trick players and it was on these that they made their principal gains.

R. H. Robinson kicked off for Union. The ball was advanced to the middle of the field and three minutes later Johnstown had scored the first touchdown. King missed goal.

Union kicked off and the ball swayed back and forth across the field till near the end of the half when Johnstown scored again. No goal. Score 10—0 at end of first half. King kicked off for Johnstown. Eames carried the ball five yards and Union advanced twenty yards more by the line-bucking of Weed and Robinson. Johnstown gained the ball on downs. Soon after a formation play around Union's left end resulted in a touchdown and goal by King. Score 16—0 in favor of Johnstown. During the rest of the game our boys held their own and time was called with the ball in Johnstown's territory.

The line up was as follows:

### Another Defeat for the Scrub.

The second eleven met defeat on election day at the hands of a team representing the Reynold's Business college of Amsterdam. The game was played on the campus and was the return game for the one the second eleven played at Amsterdam two weeks ago.

The game was won through the superior weight and experience of the Amsterdam eleven, which was made up of the best players in that city.

The game was called at 3:30, Union kicking off. Selmser caught the ball and made a brilliant run of 25 yards. By end plays the ball was rushed to the center of the field. Here Union took the ball on a fumble, but soon lost it on downs and again received it on downs at their ten yard line, barely preventing their opponents from scoring. Soon after, time was called with the ball in the center of the field.

In the second half, Amsterdam kicked off and the ball was advanced 2 yards by Eames. By another series of end plays the ball was carried to Union's 10 yard line, when Cregg was sent around the left end for a touchdown, Spoor kicking the goal. The ball was put into play again but time was soon called with the leather in the center of the field.

The line up:

### Harriet Armstrong Beaten in Her Suit Against Union.

Justice Stover has just made his decision in favor of Union college in the action brought against the college by Harriet Armstrong of Plattsburg to recover dower in real estate given to the college by her divorced husband, who had paid her \$14,000 to release her dower ten years ago. The court holds she has no valid claim for dower now.—Daily Union.

Chas. Burrows, Printer, 414 State Street, Schenectady, N. Y.

THE FACT that Union did not win the game with Hamilton last Saturday should not lessen our confidence in the 'varsity, whatever may have been the cause of that defeat, for a football game is as uncertain as an election or a horse race. That defeat will only strengthen the team and make the men more determined to win from Colgate. At present our chances for securing the pennant are just as good as any college in the league.

ALL MEMBERS of the freshman class desiring positions on the Concordiensis and Parthenon boards are requested to register their names with the editor-in-chief by December first. All freshmen who intend to take up journalism as a profession, or are in any way interested in literary work, should avail themselves of the opportunity that is offered, and begin their work in the competition at once. Appointments will be made on the basis of work submitted for publication.

THE FIRST concert of the Musical Association will be given at the Van Curler, December first, and it is the duty of every man in college to attend and do all he can to secure the attendance of others. There are few more important influences for the refinement and culture of the college student than that offered by the musical side of college life. No other organization places the college in such a favorable light before a critical and refined audience. Nothing appeals more strongly to the parents of prospective students. Therefore the undergraduates should support the association and help make the season a successful one.

FOR THE benefit of those who are competing for positions on the Concordiensis and Parthenon, and those who have already received appointments on the staff, we will state that the fundamental requisite is proof of ability to work. The fact that a man has secured a place by work in his freshman year, by no means insures him a position in his junior year if he ceases to work. Furthermore if some student should prove his excellence and worthiness during his sophomore or junior year, he will be given a fair opportunity. We call the attention of all competitors to the rule governing the college publications, that no candidate is eligible for the position of editor-in-chief, unless work is submitted for both publications.

## Alumni Notes.

By orders issued from Washington, Major Allan H. Jackson, '53 of this city, a paymaster in the United States army, is retired, having been in active service for 30 years.

Wm. Allen, '95, tried the bar examination held in Syracuse October 12th and has received notice from the State Board of Examiners that he has passed the examination satisfactorily. Since Mr. Allen graduated from Union he has been reading law in the office of Beckley & Bissell, attorneys etc., at Rochester, but now he is associated in offices with Elbridge L. Adams and Arthur C. Smith at 31 State street, Rochester, N. Y.

### Necrology.

BENJAMIN IRVING STANTON, '63.

The death in St. Paul, Minn., of Benjamin Irving Stanton, A. M., a former resident of this city and a graduate from Union college in the class of 1863, at the age of 46, is announced. The deceased was the youngest son of the late Prof. Stanton, formerly a professor in Union. After his graduation Mr. Stanton engaged in business and later studied law at the Albany Law school and at Harvard, receiving the degree from the latter institution. He was connected with the law firm of Harris & Rudd in Albany for a time. About ten years ago, he removed to St. Paul and soon attained front rank in the legal profession of that city. His wife, who survives him, was Miss Minnie Pulling of Albany.

WM. H. CHASE, '66.

William H. Chase, a well-known mining and civil engineer, died at his home, No. 192 Hawthorne street, Flatbush, Brooklyn, on Monday morning. He suffered a stroke of apoplexy on Saturday and died without having regained full consciousness. Mr. Chase was born in Columbia county, N. Y., April 27, 1841, of Quaker stock. In 1866 he was graduated from Union and in 1868 he married Miss Harriet D. Harris, daughter of Geo. F. Harris.

His early professional career was in railroad work, but later he became interested in mining, first at Port Henry, N. Y., and at Lake Mahopac, and later at different points in the Southern states, particularly at Bertha, Va., and at Ducktown, Tenn. Since 1896 his office has been in New York city. He leaves a widow, three sons and two daughters.

F. B. Richards, '88, is engaged in the manufacture of wood pulp at Ticonderoga, N. Y.

Prof. Byron B. Brackett, who was last year instructor in electrical engineering in Union college, has been appointed head professor of the department of Physics in the Eastern high school, Washington, D. C.

### Education for Cubans.

The following letter is being sent to the college presidents all over the country by G. K. Harroun of New York, treasurer of Union college:

Dear Sir: General Joseph Wheeler, United States army, is exceedingly interested in the subject of the education of Cuban young men, and the General fully believes that the American colleges could aid very materially in building up a good feeling between Cubans and our people by each college offering to educate two or more young men from Cuba, who could be found anxious to secure a college course in this country. Gen. Wheeler is so imbued with the idea that our nation, as well as the Cubans, could secure a great benefaction if such a course was carried out, that if you will signify your willingness to care for and give to two or more young Cubans a free course in your college, Gen. Wheeler will assist in every way in his power in selecting proper candidates for your institution to receive on this basis. If consistent, will you kindly mail me a copy of your requirements for entrance examinations? Trusting you will see your way clear to respond favorably and aid in the work as proposed by Gen. Wheeler, I am, dear sir, very respectfully yours,  
G. K. HARROUN.

Dept. of Interior, 2 vols.; "Nutrition Investigations at the Univ. of Tennessee;" "Report of the Trustees of the Newberry Library;" "Memorial of Robert McCormick."

### The 1900 Garnet.

Among the many other interests at Union none is more important than the annual publication, the Garnet. As is known to most of the students, this is gotten out by each succeeding junior class, the fraternities taking the responsibility of publication. The Garnet has a wide circulation and therefore no pains are spared to make it a book which will reflect credit upon the college.

The board of editors of the 1900 Garnet met for organization last spring and since the opening of college has been holding bi-weekly meetings. It is the purpose of the board to make the book eclipse any former Union publication, and for this object the aid of the entire undergraduate body is asked. While it is expected that there will be a few alumni contributors, the editors wish to have most of the material from undergraduates, and at this time lay stress upon the need of material for the literary and art departments. Students who have ability in either of these lines are earnestly solicited to submit work. For the best literary production handed in a prize of \$5 is offered, and for the nine next best, each a copy of the Garnet.

The board of editors is as follows: Editor-in-chief, Seward H. French; business manager,

Eugene M. Sanders; secretary, Philip L. Thomson; athletic editor, Wagner Van Vlack; literary editor, Melvin T. Bender; art editor, Geo. E. Raitt; assistant literary editor, G. W. Featherstonhaugh; assistant business manager, Howard P. Dunham; associate editors, F. M. Davis and Leland W. Boorn.

Instructor Eddy took charge of the department of mathematics at the U. C. I., the first of the week.

Prof. Walker has been appointed to take charge of hydrographic work in this vicinity for the U. S. Geological survey.

Tom Yanney, ex-'95, and right end on the championship team of '93, was in town on business over Tuesday and Wednesday.
