Dear Dr. Fox,

Thank you for letter regarding Amos Peaslee,
he and Hollingsworth Wood were rival suitors,
me.

Did you realize that the son of the
owner of the "American Eclipse", the famous
early race horse - Currier & Ives print etc
was a "Union" man - Last night I ran across
the enclosed noted facts, perhaps, someone would
like. It looks as though the Jones family
connect Union College and the Union Club.

With my best wishes,
16 Nov. 43
Sincerely
Jesse Merritt.
