UNION COLLEGE, NOVEMBER 18, 1898.

No. 9.

Union, 11; Colgate, 0.

The second game of the series which is to decide who will hold the football pennant during the coming year took place last Saturday and resulted in another victory for Union. Colgate has been playing a fine game this year and as Union has been somewhat crippled since the game with Rutgers, some apprehension was felt as to which side would gain the victory. However, the 'varsity played up to the season's high standard and at no time was there any danger of our being scored against. Perhaps the lesson of two weeks ago had something to do with the victory, but at any rate with Mallery back in his place the wearers of the garnet certainly put up a very strong game.

As has happened several times this year the field was very muddy but even then, few fumbles were made and the team played a steady game.

Our treatment by Colgate also deserves mention. It is a pleasure to refer to the gentlemanly conduct of the Colgate undergraduate body in general and the team in particular.

Union won the toss and chose to defend the south goal. Cramp of Colgate kicked off to Mallery who returned it to the center of the field by a kick. Union forced the ball down the field to Colgate's 10 yard line and then lost it on downs. By a number of pretty runs Colgate carried the ball as far as Union's 20 yard line and then lost it on downs. Union was quickly taking the ball down towards their opponents' goal when time was called with the ball near the middle of the field.

In the second half Keogh kicked off and Colgate worked the ball back as far as the 45 yard line before losing it on downs. Union again punted and after a six yard gain by Colgate the ball was returned to Union for offside play. Carver was then given the ball and made a long

run around Colgate's right end for a touchdown. Keogh failed to kick a goal. After the ball was kicked to the middle of the field Best, who was playing his first 'varsity game, got it and made a 70 yard run, and in the next play Carver was sent over the line for a touchdown. Keogh kicked the goal.

During the rest of the half neither side scored and when time was called the ball was at the middle of the field in Union's possession.

The line up was as follows:

UNION, 11.		COLGATE, 0.

Referee, Pollard; umpire, Van Tuyl; time-keepers, Hinman, Van Tuyl; linesmen, Watkins of Colgate, Dunning of Union; touchdowns, Carver, 2; goal from touchdown, Keogh.

The University of Pennsylvania is erecting a large Vivarium to facilitate and stimulate Zoological work; the desire being to introduce the study of living creatures in schools and colleges, instead of dead ones, as is the custom now. This Vivarium is the first of its kind in this country and so far as known no university in the world is provided with such a building. The "live" house, as it is called, will be so arranged as to enable bugs, beetles, marine animals, small vertebrae, etc., to be kept alive, and their daily habits investigated, a departure which should be of much assistance to students in experimental and research work.

Union, 21; Hobart, 6.

The football season of '98 came to a grand triumphant close on Thursday afternoon when Union administered defeat to Hobart. The victory was just the kind with which to finish up the work of the year, and it marks the end of the most successful football season that Old Union has ever enjoyed.

All honor to Captain Smith, and the men who with him have worked so indefatigably for the glory of our Alma Mater. It is only fitting that the men on the team after their labors should be able to boast of success on the gridiron, the equal of which Union has never before had. The season of '98 will go down in the history of football at Union as one never to be forgotten.

Thursday's game was a league game and this makes the victory doubly important, for the standing of the teams is now as follows:

	Won.	Lost.
Hamilton.....	2	0
Union.....	2	1
Colgate.....	1	1
Hobart.....	0	3

Colgate and Hamilton played a tie game the early part of the season and this is to be played off at Utica on Thanksgiving Day. Upon the outcome of this game depends the championship of the New York State Intercollegiate Athletic Union. It will be seen that in case Hamilton wins on Thanksgiving Day then the pennant will go to the pigskin kickers from Clinton. But should Colgate win, then Hamilton, Union and Colgate will be tied for first place.

The weather on Thursday was anything but pleasant, but despite this, Schenectadians turned out in goodly numbers to witness the season's last contest. Shortly before three o'clock the teams trotted out on the field; Union first, followed by Hobart. It was a few minutes past the appointed hour when the referee's whistle sounded and the game began.

Union had the south goal and Hobart the kickoff. Carver caught Folger's long punt and was downed on the 20 yard line. On the third down Hobart got the ball on a poor pass to Keogh, but shortly lost it on downs. Then followed an exchange of punts and the ball was Union's again. The Hobart line was attacked

and the plays netted large gains. Schmitter, who had previously taken Fenton's place, was then sent around the right end for 35 yards and Carver then crossed the line for a touchdown. No goal.

After the kickoff Union made several gains but the ball went to Hobart for offside play. The latter then began to play with a will and Union seemed unable to check their advances. After gains by Lockwood, Wilcox and Folger, the latter went over the line, and the goal was kicked. Time was then called for the first half. Score: Hobart, 6; Union, 5.

Not the least daunted by the fact that Hobart was in the lead, the "rooters" continued to make themselves heard till play was again resumed. Union kicked to Hobart's 20 yard line and soon had the ball on downs. Carver and Schmitter made good gains and Thebo went over the line for another touchdown. No goal.

For the next ten minutes of play Hobart put up a stubborn resistance, but they weakened at the rushes of Gulnac, Mallery, Schmitter and Keogh, and Carver went over the line. Again Keogh failed at goal.

The next and last touchdown was made in less than five minutes. Union did not lose the ball once and after gains by Schmitter of 10, 5, 5 and 35 yards, and short gains by Carver and Mallery, the latter crossed the line and Keogh kicked a pretty goal. Score: Union, 21; Hobart, 6.

The line up was as follows:

Summary—Referee, Mr. Palmer, Cornell; umpire, Mr. Patterson, Yale; linesmen, Huntly, Union, Jagar, Hobart; timekeepers, Paige, Union, Breeden, Hobart; time of halves, 20 and 25 minutes; touchdowns Carver (2), Folger, Thebo, Mallery; goals from touchdowns, Keogh, Lockwood.

Immediately after the game the eligible men held a meeting and elected as captain for next year Andrew C. Fenton, 1900, of Andes. Fenton has played tackle on the 'varsity for two years and the selection is regarded as a good one.

Intercollegiate.

Brown is to have a new athletic field and cinder track.

Secretary of State John Hay graduated from Brown in '58.

There are 40,625 university students in the United States.

The receipts of the Princeton baseball association last year were \$11,481.45.

Over six million dollars have been spent on the new site of Columbia university.

The Carlisle Indians netted \$20,000 as a result of their football season of 1897.

Andover has raised all but \$12,000 of the \$50,000 needed for the new gymnasium.

An exchange estimates that the average cost of fitting out a player on a big 'varsity eleven is about \$40.

Exeter raised \$1200 this fall for the support of the football team. The number of men in school is 246.

U. of P. has recently received properties to the value of \$400,000 by the will of the late Col. J. M. Bennett.

The report of the treasurer of the Princeton Athletic association shows a net profit of \$2,648 for the past year.

The flag presented by the Yale undergraduates to the cruiser "Yale" has been returned to New Haven and will be preserved as a trophy.

Dartmouth proposes to charge every student in the treasurer's bill a fixed yearly amount for athletics. The amount suggested is ten dollars.

The University of Chicago conferred the degree of LL. D. on President McKinley, while he was attending the Jubilee celebration in that city.

The Hon. George M. Bowers of the Fish Commission has presented to Cornell university a large collection of fresh and salt water fish, consisting of almost five thousand living specimens.

A committee has been appointed to prepare plans for the celebration of the two hundredth anniversary of the granting of the charter to Yale college. The celebration will take place in 1901.

Columbia university has a new gymnasium and swimming pool which is claimed to be the largest owned by any educational institution in the world. The running track is made for ten laps to the mile.

The library fund of Wesleyan university has been increased by \$30,000, a bequest of the late Rev. Dr. Albert Sanford Hunt, of New York. Dr. Hunt also bequeathed his private library of several thousand volumes.

By a recent regulation passed by the faculty of Amherst college, no student, who has more than one deficiency, or whose work in the current term is so unsatisfactory as to call for special action on the part of the faculty, shall take part in any public game or entertainment given by any club, association or team of students.

A new method of electing members to the Phi Beta Kappa society has been inaugurated at Amherst. The choosing of a certain percentage of a class has been abolished and a rank standard substituted, 88 and 85 per cent. respectively for the first and second drawings. The faculty is no longer to elect members, but will recommend students for membership for the final election of the active chapter.

Cornell is to have a medical college in New York city which will cost \$600,000. This addition to the university is made possible through the generosity of Col. Oliver Hazard Payne of Cleveland, Ohio. The donor has also created an endowment of over \$400,000, so that the entire gift represents about \$1,500,000. The college will occupy a plot 200 by 100 feet at First avenue and 27th street, and will have five floors. One of the prominent features of the building will be the dispensary which is to be the largest in New York. The four years' course will be given in New York, although the first two years may be taken at Ithaca.

SOMETIME ago a committee was appointed at a college meeting to petition the proper authorities, on behalf of the student body, for the re-instatement of the "copper." As far as can be learned little has been done in this direction, and a college policeman is necessary in order to keep undesirable people off the college grounds. There are many reasons why a policeman should be maintained, none of which need be mentioned here, and the students hope that some action will be taken to re-instate the former official.

UNION has been asked to participate in a dual athletic meet with Williams next May, and the matter is now under consideration. The two colleges have not met on the track for some years, and this invitation for a renewal of athletic relations ought to be accepted, because of the many advantages that accrue from the association of colleges with each other. Such relations put new spirit

into athletics and awaken competition. Let the invitation be accepted by all means, and there will soon be a restoration of that old time enthusiasm.

THE CONCORDIENSIS again makes an urgent request for alumni notes. The difficulties attending the collection of items about the older alumni must be apparent to all. Especially would we like information concerning the alumni who will hold their decennial reunions at next commencement. Alumni of '39, '49, '59, '69, '79, '89, do you know anything about your classmates? If so, communicate with us. At least send some information concerning yourself. We desire to publish an account of every member of the decennial classes now living. Will you kindly help us gather the material?

Married.

The marriage of Miss Mary Livingston McDonell, daughter of Mrs. Thomas A. O'Hare, of Srathallen park, to Mr. William H. McElroy, '60, of East avenue, was solemnized on Thursday evening, October 27, 1898, at the residence of the bride's mother, the Rt. Rev. Bishop Bernard J. McQuaid officiating, assisted by the Rev. Dr. E. J. Hanna, of St. Bernard's seminary. The maid of honor was the bride's sister, Mrs. Augustine Gaffney, and the bridesmaids Misses Helen and Margaret O'Hare. There was also in attendance Margaret McElroy as flower girl and Frederick Cook McDonell as page. The bride wore a very elegant ivory colored satin, cut en train and a point lace veil that was an heirloom in the family, and carried a bouquet of lillies of the valley. The bride and groom were the recipients of many beautiful gifts. Mr. and Mrs. McElroy have gone to Boston and New York and will sail for Europe in November. Mrs. McElroy is an heiress to a large fortune.—Rochester Post-Express.

A fellowship prize of \$1500 will be awarded next June in the Art school at Yale. The fellowship is intended to give the winner two years' study in Europe.

Second Eleven, 5; N. A. C., 5.

An interesting game of football was played on the college campus last Saturday afternoon between Union's second team and the eleven representing the National Athletic club of Schenectady. The Nationals are composed of town men and include Chas. Messmer and R. H. Cooper, who played for Union last year. The two elevens were very evenly matched and the result of the game was a tie, each team scoring a touchdown and each in turn failing to kick a goal. The Nationals made most of their gains around the ends, while the scrub excelled in line bucking and team work. The best work for the Nationals was done by Bagnall, while A. Robinson, Weed, Tuggey and R. Robinson put up the strongest game for the second eleven.

The scrub defended the south goal and had the kick-off. The ball changed hands frequently and was punted freely. Glen made a skillful run around right end and Bagnall was pushed over for a touchdown. No goal.

In the second half the scrub was strengthened by the addition of French and R. Robinson. The scrub kicked off to Cooper, who advanced the ball several yards. Messmer and Bagnall made large gains for the Nationals. Again the ball changed hands several times. The Nationals punted and A. H. Robinson caught the pig skin and made a pretty run around right end for a touchdown. The ball was kicked out and caught. Yawger tried for a goal but Bagnall ran out rapidly from between the goal posts and cleverly blocked the progress of the ball.

The line up follows:

The Junior Hops.

The junior hop committee met at the Chi Psi lodge last week to discuss plans for holding a series of college dances. After some discussion the committee decided to hold several hops instead of one large dance as was at first contemplated.

The first dance will be held at Yates' boat house, Friday evening, Dec. 9, and more will be held during the year if the patronage warrants it. No invitations will be issued, but the support of every man in college is expected. The tickets will be \$1.50 each. Light refreshments will be served, and conveyance to and from the boat house furnished by the committee.

The committee is composed of the following members: Erskine C. Rogers, W. Dewey Loucks, Douglas W. Paige, William H. Campbell, Leroy O. Ripley, Eugene M. Sanders, George E. Raitt, Stephen S. Read, Howard P. Dunham, Charles E. Palmer and Clarence D. Stewart.

Adelphic Meeting.

An interesting meeting of the Adelphic literary society was held in their rooms last Saturday afternoon. The subject was: "Resolved, That it is best for the United States to take Porto Rico as a partial indemnity for the war." Messrs. W. D. Loucks, H. P. Dunham and J. H. Mackey were the affirmative debaters. The negative was supported by L. T. Hubbard, F. T. Wright and E. L. Winterberg.

Twenty-five years ago J. B. Pardee offered \$100 to the Lafayette baseball team first defeating Princeton. The deed was done this year and the money promptly paid over.
