Dear Sir:

I am gathering material for a history of the descendants of the youngest son of the first Lord of the Manor of Livingston, Gilbert, and his wife Cornelia Beekman. One of his grandsons was Beekman Livingston and his daughter married the Hon. John Watts Cady in 1813. My records show that he was an A.B. of Union, Class of 1808. I would appreciate receiving any information about him that you are willing and able to give. I would like to know what the "Hon" denotes. I believe he was in business, to judge from a family letter around 1817. Would any of his brother in laws possibly have attended Union? They were John Beekman, Robert, Henry and William Livingston.

Sincerely yours,

George B. Kinkead
