John S. Vrooman, esq. who was nominated as clerk of the County of Schenectady, in opposition to the regular nomination of Mr. Fonda, had declined being a candidate in the following words. "By the frequent application of my republican friends, and not willing to distract and divide, the party, I decline being considered a candidate for the office of County Clerk, and tender my sincere thanks to those delegates who nominated me as a candidate for that office."

John S. Vrooman.

We notice the above with peculiar pleasure as an evidence of Republican integrity, highly honorable to Mr. Vrooman. He was the candidate opposed to Mr. Fonda in the regular convention and received 1/3 of the votes of that body. He was afterwards brought forward by those who seceded from the regular nomination, and as the Federalists are ever on the watch, to the advantage of our dissentions, Mr. Vrooman had a prospect of success. Yet for the laudable purpose of keeping his party from dismemberment, he has magnanimously foregone his own expectations for the public good. For this he deserves the thanks of his fellow republicans.
