MARK TUCKER

Was born at Whitestown, New York, June 7, 1795. He graduated at Union College in 1814, studied theology under President Nott, and was ordained at Stillwater, N. Y., October 8, 1817. As has already been narrated, Mr. Tucker was invited to become colleague pastor with Mr. Williams in 1824, and installed March 10 of that year. At the installation services Rev. Mr. Hale of Westhampton made the introductory prayer; Rev. Dr. Nott, president of Union College, preached the sermon from 2 Cor. v. 20; Rev. Dr. Lyman, of Hatfield, made the installing prayer; Rev. Mr. Williams, senior pastor, gave the charge; and Rev. Mr. Williston, of Easthampton, made the concluding prayer. The town voted $500 toward moving his family, and gave him a salary of $1,000. The controversy which resulted in the establishment of the Unitarian Society commenced when Mr. Tucker was settled, and culminated soon after in the establishment of the new society. Mr. Tucker, it seems, gave offence in not inviting Rev. Mr. Peabody, of Springfield, to officiate after the latter had made proposals to him.

Dr. Tucker was dismissed August 15, 1827, after a ministry of three years. October 31, 1827, he was installed as pastor of the Second Congregational Church in Troy, N. Y., His labors there were blessed by the conversion of hundreds. He remained at Troy till 1837, when declining a call to the Park Street Church in Boston, he became colleague pastor with Rev. James Wilson over the Beneficent Church at Providence, R. I., and was installed June 30th of that year. He was dismissed September 24, 1845. During this time 237 were added to the church. He was installed at Weathersfield, Conn., October 15, 1846; dismissed March 24, 1856. April 15, 1857, he was installed over a church in Vernon, Conn., where he remained five years, being dismissed April 1, 1863. He lived at Ellington and Old Saybrook, Conn., without charge until 1865, when he returned to Weathersfield, where he resided until his death which occurred March 19, 1875 at the age of 80 years. The degree of D. D., was conferred upon him by Williams College in 1831.
