Dear Mr. Webster:

Thank you for your letter of March 25th, with the extracts from the newspapers giving the information about the marriage of ALEXANDER O. SPENCER, who graduated from Union in 1819.

Such information as we have about him has come from your records, but, in any case, I am sending you what we have about him:

SPENCER, Alexander O.  
Registered from New York, 1818.  

I am sorry we have no further record of him. It might be that the City Clerk of Albany would have some record of his birth and parentage, since it seems that he came from Albany.

Very truly yours,

Dear Miss Schermerhorn:

Mr. Fisher wrote you several years ago about some of the former students of the Litchfield Law School who had attended or been graduated from Union College.

At that time you gave us all the available information in regard to the men on the list we sent you, but we are wondering if you have additional facts about some of these men.

There is one particular question I would like to ask you in regard to ALEXANDER O. SPENCER who attended Union in 1819. We have been informed that he married a Miss Vosburgh of Kinderhook, N.Y. and also a Miss Mary E. Norton of New York City. Do you know if either or both is correct?

I would appreciate it if you could clear up this little matter.

Very truly yours,

We have no mention of Miss Vosburgh of Kinderhook. If you  
have learned the date of birth, and names of parents, of  
Alexander O. Spencer, we should be glad to add that informa-  
tion to our file. We have a note that he died in 1859,  
but no authority is given for the statement.

Sincerely yours,
