ZOLVA WHITMORE

Was settled here (Guilford, Conn.) September 5, 1821 (pastor of the Church and Society in North Guilford, Conn.)

He was born at Rutland, Vt., and graduated at Union College in 1818.

Towards the close of his ministry here several persons, for "unfounded and frivolous" causes, took a dislike to him, absented themselves from church, and finally induced the Society to refuse to pay him his salary. For these causes he was dismissed, at his own request, August 31, 1846, in the 25th year of his ministry.

He removed to Great Barrington, Mass., thence to Vermont, where he was in charge of a church for two years, thence to North Becket and Chester Factory, Mass., where he died August 5, 1867.
