

Richards, Benjamin. 7/28/1835.

"...of White Creek...entered during Senior year...whatever may be said in general of 11th hour men, is one of the most sterling fellows in our class...good native talents, enlightened judgment...whatever he undertakes he accomplishes with singular felicity. Botanist and mineralogist no equal in college...universally beloved and respected."
Pearson Diaries V.2, pp.162-163.

Richards, Benj., 1835.
