ABSTRACT

LETOURNEAU, NAOMI Milestones. Department of Visual Arts, June 2018.

ADVISOR: Fernando Orellana

My sculpture is inspired by cairns, mounds of rocks that represent a memorial or landmark and serve as markers along a trail. These sculptures were created combining digital fabrication and traditional sculpting methods. Inspired by milestones in my own life, the goal of this series is to encourage self-reflection in order to remind us that we all must find balance while on our own paths.
